## ANTI-BULLYING & ANTI-HAZING POLICY

The Board of Trustees (“Board”) of the Roberto Clemente Charter School (“Charter School”) recognizes the importance of providing all students and employees with a safe school and learning environment in order to promote the educational process. The Board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards as well as to promote positive interaction among students through participation in Charter School sponsored groups or organizations. Bullying, cyberbullying and hazing like other disruptive or violent behaviors, is conduct that disrupts both a student’s ability to learn and participate in the School community and the Charter School’s ability to educate its students in a safe environment. Therefore, in order to ensure and promote a safe learning environment, it shall be the policy of the Charter School to maintain an educational environment that is intolerant of bullying, cyberbullying or hazing in any form.

Since students learn by example, school administrators, faculty, staff and volunteers are directed to demonstrate appropriate behavior, treat others with civility and respect and to refuse to tolerate bullying, cyberbullying or hazing. This policy pertains to all students and staff, regardless of their status. This policy also applies to all students and staff whose conduct out of school materially and substantially interferes with the educational process at the Charter School.

Teachers should discuss this policy with their students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion. Training will be provided to teachers, administrators, and staff on an annual basis. Trainings will be conducted by the building designee “bullying response specialist” as well as outside providers to address needs communicated by the school around this issue.

### **Definitions**

**Bullying and Cyberbullying** are defined as an intentional electronic, written, verbal or physical act, or a series of acts:

1. directed at another student or students;
2. which occurs in a “school setting”, or occurs outside of school and the Charter School reasonably forecasted that the outside-of-school conduct would materially interfere with or substantially disrupt the educational process or program in the school, and the outside-of-school conduct does in fact materially interfere with or substantially disrupt the educational process or program in the school;
3. that is severe, persistent or pervasive; and
4. that has the effect of doing any of the following:
  - substantially interfering with a student’s education;
  - creating a threatening environment; or
  - substantially disrupting the orderly operation of the school.

# Roberto Clemente Charter School

Bullying and cyberbullying shall encompass acts that occur outside a school setting if those acts meet the requirements found in (1), (3) and (4) listed above.

**School Setting** shall mean in the Charter School, on Charter School grounds, on Charter School property, using Charter School equipment and technology, on a Charter School server or electronic, web-based, Internet or online programs, in Charter School vehicles, at designated bus stops or at any activity sponsored, supervised or sanctioned by the Charter School and any time spent necessarily traveling to and from these locations. Additionally, any student whose out of school conduct materially interferes with or substantially disrupts the educational process in the school is also subject to this policy.

## **Cyberbullying**

Cyberbullying is often seen by sending harmful or cruel material, text messages and/or images or engaging in other forms of social aggression and bullying using the Internet, cell phones, personal digital assistants (“PDAs”) or other technology resources.

All students, staff, volunteers and contractors shall comply with the Charter School’s Acceptable Use and Internet Safety Policy, which is required under the Children’s Internet Protection Act (“CIPA”), and review the Charter School’s Social Media and Networking Guidelines Policy when using any technology resources.

Cyberbullying via the Internet is seen through the use of any one or more of a number of methods, including, but not limited to:

- Email sent to the intended victim;
- Blog entries regarding the intended victim;
- Posts on social networking websites;
- Posting victim’s pictures on the Internet or networking websites with derogatory phrases or questions attached to them;
- Using instant messaging tools to harass victims;
- Creating an Internet parody of the intended victim;
- Creating fake Internet profiles for the victim on a public website;
- Creating or accessing an unauthorized website which harasses or bullies the victim;
- Using camera phones and/or digital cameras to take embarrassing photographs of students and/or staff and posting them online;
- Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers.

Cell phones are also often used for cyberbullying for things such as calling or text messaging the victim and/or using a victim’s cell phone to text or call another victim using harassing language.

The use of the Internet or Charter School email does not necessarily have to involve the creation of the offensive materials. Rather, the person creating the offensive material may do it on a home computer and then use the Charter School’s computers to take such actions as accessing it, viewing it, displaying it for others to see, disseminating copies of it to others or otherwise publicizing the contents.

## Hazing

Title 18 - Chapter 28 was added October 19, 2018, P.L.535, No.80, also known as the "Timothy J. Piazza Antihazing Law." Chapter 28 defines the following:

- **§ 2802. Hazing.**
  - (a) Offense defined.--**A person commits the offense of hazing if the person intentionally, knowingly or recklessly, for the purpose of initiating, admitting or affiliating a minor or student into or with an organization, or for the purpose of continuing or enhancing a minor or student's membership or status in an organization, causes, coerces or forces a minor or student to do any of the following:
    - (1) Violate Federal or State criminal law.
    - (2) Consume any food, liquid, alcoholic liquid, drug or other substance which subjects the minor or student to a risk of emotional or physical harm.
    - (3) Endure brutality of a physical nature, including whipping, beating, branding, calisthenics or exposure to the elements.
    - (4) Endure brutality of a mental nature, including activity adversely affecting the mental health or dignity of the individual, sleep deprivation, exclusion from social contact or conduct that could result in extreme embarrassment.
    - (5) Endure brutality of a sexual nature.
    - (6) Endure any other activity that creates a reasonable likelihood of bodily injury to the minor or student.
  - (b) Grading.--**
    - (1) Except as provided under paragraph (2), hazing is a summary offense.
    - (2) Hazing shall be a misdemeanor of the third degree if it results in or creates a reasonable likelihood of bodily injury to the minor or student.
  - (c) Limitation.--**Hazing shall not include reasonable and customary athletic, law enforcement or military training, contests, competitions or events.
  
- **Secondary school:** Any public or private school within this Commonwealth providing instruction in grades 7 through 12 or any combination of those grades.

The CEO or his/her designee shall ensure that students are informed of the secondary school's policy, including the secondary school's rules, penalties, and program of enforcement. This policy must be posted on the Charter School's publicly accessible Internet website.

The CEO or his/her designee will provide a program for the enforcement of this policy required under 18 Pa. C.S.A. 2801 *et seq.* and shall adopt appropriate penalties for violations of the policy to be administered by the Charter School's Principals or their designees responsible for the sanctioning or recognition of the organizations covered by this policy.

# Roberto Clemente Charter School

## **Guidelines**

Students shall conduct themselves in a manner in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors.

The Board believes that standards for student behavior must be set cooperatively through interaction among the students, parents and guardians, staff, and community members of the Charter School, producing an atmosphere that encourages students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school and community property on the part of students, staff, and community members.

Since bystander support of bullying, cyberbullying and hazing can bolster these types of behaviors, the Charter School prohibits both active and passive support for acts of bullying, cyberbullying and hazing. The staff should encourage all students to refuse to engage in these acts and to report them immediately to the CEO of the Charter School.

## **Reporting Procedures**

Any student who feels he or she has been bullied or cyber-bullied shall have the right to file a complaint of such bullying. Complaints should be reported to the school principal. Complaints may also be reported directly to a teacher, guidance counselor, or other administrator who shall immediately report the incident to the school principal in order to protect the alleged victim and for prompt investigation.

Any staff member who sees any incidents of bullying or cyberbullying must immediately report the incident(s) to the school principal. All other members of the school community, including students, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. It shall be the responsibility of the school principal or his/her designee to investigate promptly and thoroughly any and all bullying and cyberbullying complaints received or referred by other individuals and to make recommendations based upon the investigation. The investigation is to be commenced within three (3) school days after a report of any bullying is received.

The Board of Trustees requires the school principal to be responsible for determining whether an alleged act constitutes a violation of this policy. In determining whether alleged conduct constitutes bullying or cyberbullying, the totality of circumstances, nature of the conduct, and context in which the alleged conduct occurred shall be investigated. If the investigation results in a substantiated charge of the bullying, the Charter School shall take prompt corrective action to ensure the bullying and/or cyberbullying ceases and will not reoccur.

Reports to the school principal may be made anonymously, but formal disciplinary action *may not* be based solely on the basis of an anonymous report.

The school principal or his/her designee shall immediately notify the parent or guardian of the perpetrator of the bullying and the parent or guardian of the victim of the bullying of the alleged incident.

# Roberto Clemente Charter School

## **Consequences for Violations**

Consequences and appropriate remedial actions for a student or staff member who commits one or more acts of bullying or cyberbullying may range from positive behavioral interventions up to and including in school or out of school suspension from the Charter School or expulsion or other disciplinary removal from the Charter School, in the case of a student, or suspension or termination in the case of an employee, as set forth in the Charter School's student Code of Conduct or Employee Handbook.

In some cases, bullying and/or cyberbullying may constitute criminal activity and the Police Department will be notified. This may lead to a criminal investigation and criminal charges against the student or staff.

Consequences for a student who commits an act of bullying and/or cyberbullying shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student's history of problem behaviors and performance, and must be consistent with the Charter School's student code of conduct. Remedial measures shall be designed to: correct the problem behavior; prevent another occurrence of the behavior; and protect the victim of the act.

The following intervention strategies for protecting victims may be followed as needed:

- Supervise and discipline offending students fairly and consistently;
- Provide adult supervision at Charter School testing sites or other sites used by the Charter School, at any activity sponsored, supervised or sanctioned by the Charter School during any breaks, lunch times, bathroom breaks and in the hallways during times of transition;
- Maintain contact with parents and guardians of all involved parties;
- Provide counseling for the victim if assessed that it is needed;
- Inform school personnel of the incident and instruct them to monitor the victim and the offending party for indications of harassing, intimidating, and bullying and/or cyberbullying behavior. Personnel are to intervene when prohibited behaviors are witnessed; and
- Check with the victim daily to ensure that there have been no incidents of retaliation from the offender or other parties.

## **Retaliation Prohibited**

The Board of Trustees strictly prohibits retaliation or reprisal against any person who reports bullying and/or cyberbullying incidents. Retaliation includes, but it is not limited to, any form of intimidation, reprisal or harassment used against a person who reports, in good faith, incident(s) of bullying and/or cyberbullying. Disciplinary action against any person who retaliates or engages in reprisals for reporting such behavior(s) may include sanctions up to and including expulsion or suspension for students and termination for staff engaging in such prohibited conduct. The consequences and appropriate remedial action shall be determined after consideration of the nature, severity, and circumstances of the act.

# Roberto Clemente Charter School

## **False Accusations**

The Board of Trustees prohibits any person from falsely accusing another of bullying and/or cyberbullying. The consequences and appropriate remedial action for a student found to have falsely accused another of bullying and/or cyberbullying may range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for an employee found to have falsely accused another of bullying and/or cyberbullying shall be disciplined in accordance with Charter School policies, procedures, and agreements.

## **Disabled Students**

For those students who meet the disability definitions of IDEA and/or Section 504, both Section 504 and Title II protect these disabled students from bullying or hazing by teachers, other school employees, and third parties. Such prohibited behavior can trigger a school's obligation to address disability-based harassment, remedy a denial of a free and appropriate public education ("FAPE"), or both. The U.S. Department of Education's Office of Civil Rights ("OCR") would find a disability-based harassment violation under Section 504 and Title II when: (1) a student is bullied or hazed based on a disability; (2) the bullying or hazing is sufficiently serious to create a hostile environment; (3) school officials know or should know about the bullying or hazing; and (4) the school does not respond appropriately.

## **Annual Distribution of Information**

The Board requires Charter School officials to annually disseminate the policy to all school staff, students, volunteers, independent contractors and parents along with a statement explaining that it applies to all applicable acts of bullying and cyberbullying and hazing that occur in the Charter School, on Charter School grounds, on Charter School property, using Charter School equipment and/or technology, on Charter School servers or Charter School electronic, web-based, Internet or online programs, in Charter School vehicles, at designated bus stops or at any activity or organization sponsored, supervised or sanctioned by the Charter School and any time spent necessarily traveling to and from these locations. Additionally, any student or staff's out of school conduct that materially and substantially interferes with the educational process in the Charter School is also subject to this policy.

The Charter School is required to post this policy on its website and make the policy available in every classroom. This policy shall also be posted at a prominent location within every Charter School building where such notices are usually posted. The Charter School shall ensure this policy and its procedures for reporting bullying, cyberbullying and hazing incidents are reviewed with students and staff within ninety (90) days after its adoption and, thereafter, a minimum of one (1) time per school year.

# Roberto Clemente Charter School

## **Compliance**

As required by the Federal Broadband Data Improvement Act of 2008, the Charter School shall educate elementary and secondary school aged students with computer access to the Internet about appropriate online behavior, including online interaction with other individuals on social networking websites, and in chat rooms and educate them regarding cyberbullying awareness and response.

The Board of Trustees directs the Administration to develop any procedures necessary to implement this policy and to develop appropriate prevention, intervention and education strategies related to bullying and cyberbullying.

Acts of bullying and cyberbullying are prohibited by and a violation of the Charter School's Acceptable Use and Internet Safety Policy and its Child Internet Protection Act ("CIPA") Policy.

The Charter School will comply with all applicable federal and state laws relating to bullying and cyberbullying and hazing, including, but not limited to, the requirements delineated in the Pennsylvania Charter School Law, 24 P.S. § 1701-A, *et seq.*, the Federal Children's Internet Protection Act ("CIPA"), 47 U.S.C. § 254(h) and (l), and the Neighborhood Children's Internet Protection Act ("N-CIPA") and any applicable implementing regulations and the PA Anti-Hazing Law (P.L. 1595, No.175).

The Charter School will also comply with Chapter 711 of Title 22 of the Pennsylvania Code, the Public School Code, the applicable House Bill 1067 Public School Code amendments relating to safe schools and bullying, and applicable provisions of the Individuals with Disabilities Education Improvement Act of 2004 ("IDEA 2004") and its applicable implementing regulations regarding the discipline of special education students and thought-to-be eligible students who engage in an act of bullying.

Specifically, with regard to the PA Safe Schools Act, Charter School administration shall annually provide the following information with the Safe School Report

1. Board's Anti-Bullying Policy.
2. Report of bullying incidents.
3. Information on the development and implementation of any bullying prevention, intervention or education programs.

# Roberto Clemente Charter School

## **Training**

To ensure bullying does not occur on school campuses or in virtual classrooms, the Charter School will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build the Charter School's capacity to maintain a safe and healthy learning environment.

**TO THE EXTENT THAT ANYTHING IN THIS POLICY COULD BE CONSTRUED TO CONFLICT WITH THE SCHOOL'S CHARTER OR APPLICABLE STATE AND/OR FEDERAL LAWS, THE APPLICABLE STATE AND/OR FEDERAL LAWS AND/OR CHARTER CONTROL.**

# *General Information*

## *Mission*

Roberto Clemente Charter School is a neighborhood school that was founded in 1999 by the Hispanic American Organization. Roberto Clemente is a small learning community school that inspires and educates students to maximize their success. We provide students with a rigorous academic foundation using a holistic approach. We challenge students to excel and to acquire the knowledge and skills they will need to be successful in college, a secondary level of study, and as life-long learners.

## *Community Spirit*

At Roberto Clemente, our goal is to create a climate conducive to teaching and learning that embraces a multicultural perspective. We want to build a culture that is caring, respectful, supportive, and welcoming and has high expectations.

## *School of Choice*

Since Roberto Clemente Charter School is a school of choice, enrolled students and their parents/guardians (henceforth and thereafter will be referred to only as parents) are required to adhere strictly to the rules and regulations as described in this Handbook. This handbook has been prepared, written and approved by the school administrators and the School Board. Feedback from school-community stakeholders including staff, parents and families was taken into account in this process. Violations of the school rules and regulations may lead to serious consequences including dismissal. In order to avoid unnecessary arguments with school administrators regarding the school's discipline policies, parents/guardians and students should read the Student and Parent Handbook thoroughly prior to enrollment with Roberto Clemente Charter School.

## *Vision:*

### *Future State? What We Envision- An Early College Model Program*

- **Parents** who work cooperatively with the school; support the school's rules, policies and expectations; provide the time and support at home for their child's academic work; promptly inform the teacher/school of any pertinent medical, family, home, and learning problems, and ensure that their child attends school daily, on time, in uniform and ready to learn.
- **Students** who are responsible; abide by all rules and expectations of behavior; treat adults, other students, school property, and others with respect; participate in class, complete and turn in classwork and homework; are highly motivated; engage in meaningful activities; are able to work independently and in groups, and engage in the social and political world.
- **A Professional Community** that uses reflective dialogue; develops relationships among teachers and are mentors and advisors for students; has professional collaborations; shares norms and values where professionals meet to identify what they have in common; and has a collective focus on students learning where the priority is placed on activities that promote student growth.
- **A School Community** in which Students, Teachers, Administrators, Parents, and Community Members are all learners; share common values, ideas, and commitments; and embrace a multicultural perspective and a collaborative approach with local resources to maximize student success.
- **Curriculum & Instruction** that provides for small classroom size; individualized instruction; academic rigor with an emphasis in standards-based learning; emphasis in reading and writing across content areas; proper assessments to verify progress; lively discussions and critical thinking; relevant, real-world context; active problem finding and problem-solving; national best practices, and character development and increased social skills.
- **A Climate** that is safe and supportive; welcoming and caring; collaborative; exciting; multicultural; filled with school pride; respectful; and high in its expectations.

## *Objectives*

13. To meet the needs and interests of the students through innovation and technology.
14. To energize school spirit by offering extracurricular activities.

## *Academics*

### *Student Grading*

How students are evaluated in each class depends upon a number of factors determined by the course, the curriculum, and teacher requirements.

Grades will be posted as follows:

#### Grade point average scale

- A 90+
- B 80-89
- C 70-79
- D 60-69
- F 59 and below
- P Pass \*
- F Fail \*
- I Incomplete +

\*Is for credit only and does not affect GPA

+ Incomplete- will be granted only with the principal's approval for extenuating circumstances. All work must be completed within the designated time.

- Students that receive a “D” on any particular marking period, must participate in a mandatory tutoring program and will be monitored through MTSS (multi-tiered system of support).

Students will be graded using a number of assessment tools as developed by each classroom teacher.

Report cards are issued quarterly. Progress reports will be sent between report periods. A student who fails English, mathematics, social studies, or science will be required to attend the extended school day tutoring program and/or the summer program. Each case will be evaluated on a case-by-case basis. Failure to attend and pass summer school courses will delay the student’s graduation.

A grade is the result of the teacher’s professional evaluation of the student’s performance including attendance and employability skills. Each grade reflects all the facets of the learning process and becomes a positive force in the student’s motivation. Grades are arrived at through continuous individualized evaluation, using stated educational objectives.

**Employability skills are defined as the following:**

- **punctuality**
- **active participation**
- **quality of work**
- **homework**
- **overall attitude**

Students receiving a D or an F may be required to attend summer school.

### ***Homework Policy***

Students are required to complete all teacher assigned homework. Students are also required to make up all missed assignments due to an excused absence. Students must check with their teachers to schedule a time to make up the work.

If a student fails to make up any assigned work, it will be recorded as a zero unless a valid excuse is provided.

### ***Marking Period Dates***

First Marking Period.....	August 29 - November 2
Second Marking Period.....	November 3 - January 24
Third Marking Period.....	January 25 - March 31
Fourth Marking Period.....	April 3 - June 8

### ***Student Progress Reports and Report Cards***

Progress reports inform parents of a student’s academic progress at the midpoint of each marking period. Parent/teacher conferences will be scheduled after the issuance of progress reports.

Report cards are a record of student academic achievement. Report cards are issued to students quarterly, report cards are mailed to parents/guardians as well. It is important that the parents and/or guardian review and discuss the student’s reports with their teachers, guidance counselor, or principal.

### ***Child Find Screening***

RCCS undertakes screening activities before referring students for a multidisciplinary team evaluation. Screening activities could involve Multi-Tiered System of Supports, commonly referred to as the “MTSS,” or an alternative screening process. Regardless of the particular screening method employed, the screening process must include (1) periodic vision and hearing assessments by the school nurse as mandated by the School Code and (2) screening at reasonable intervals to determine whether all students are performing based on grade-appropriate standards in core academic subjects. If screening activities produce little or no improvement after a reasonable period of intervention or remediation, the child will then be referred for a multidisciplinary team evaluation. Parents who wish to request screening and evaluation for their child may do so by contacting the principal or counselor in their child’s school building.

### ***Multidisciplinary Team Evaluations***

RCCS must conduct a multidisciplinary team evaluation of every child who is thought to have a disability. The multidisciplinary team is a group of professionals who are trained in and experienced with the testing, assessment, and observation of children to determine whether they have disabilities and, if so, to identify their primary educational strengths and needs. Parents are also members of the multidisciplinary team. RCCS must reevaluate school-age students receiving special education services every three years and must reevaluate children with mental retardation and pre-school-age children receiving special education services every two years. Parents may request a multidisciplinary team evaluation of their children at any time. They must do so in writing. Every public school has a procedure in place by which parents can request an evaluation. For information about these

procedures, contact the RCCS Special Education Coordinator, Ms. Dee Wimmer, [dwimmer@myrccs.com](mailto:dwimmer@myrccs.com) or 610-439-5181 x549.

### ***Preschool Children with Special Needs***

Children preschool age three through five, are served by the Carbon Lehigh Intermediate Unit in a variety of home and school-based settings that take into account the chronological and developmental age and primary needs of the child. As with school age programs, preschool programs must ensure that to the maximum extent appropriate, children with disabilities are educated with non-disabled peers at no cost to the parent. Parents who have questions regarding their child's seeing, hearing, learning, talking, moving about, manipulating objects, understanding, showing emotions, getting along with others, playing with toys, and/or taking care of himself/herself may obtain information about screening, evaluation, programs, therapy, parent involvement, and referral to community agencies by calling or writing the Carbon Lehigh Intermediate Unit, Early Intervention Services, 4210 Independence Drive, Schnecksville, Pennsylvania 18078-2580. The telephone number for the Early Intervention Program is (610) 769-4111 ext. 1256.

### ***Notice of Special Education Services***

RCCS provides special education and related service to children with disabilities who are ages five through twenty-one. To review the Notice of Special Education Services and Family Educational Rights and Privacy Act (FERPA) Notice, please visit [www.myrccs.com](http://www.myrccs.com).

### ***English as a Second Language Program***

English as a Second Language (ESL) programming is available at RCCS. RCCS adheres to federal and state policies and procedures regarding English language learners (ELs). RCCS utilizes "sheltered" English instructional methods. All ELs receive language support through ESL teachers and through content-area teachers. Students may be screened for ESL services based on the Home Language Survey filled out by the parent(s)/guardian(s) upon enrollment into the school and/or on a review of student records. Visit the school's website for more information.

### ***Graduation Requirements***

In order to graduate, students must meet the following requirements:

- Attainment of 24 academic credits as per Roberto Clemente Charter School graduation requirements
- Proficient/Advanced score on standardized assessments, or one of the alternatives which include:
  - Demonstrate proficiency in English and Mathematics through a standardized assessment.
  - Retake the Keystone Exam in the senior year and demonstrate proficiency in the content areas where proficiency was not previously attained
  - Take the SAT and score at least 900 as a combined total of the verbal and mathematics sections
  - Obtain a senior-year grade point average (GPA) of at least 2.50
- Successful completion of the graduation project
- Completion of 25 hours of community service
- 90% attendance rate for the full senior year
- Payment of all outstanding debts

## ***Summer School Policies***

### ***Grading System***

Students required to attend summer school to repeat courses will receive a numerical grade computed from the previous grade and the summer program grade. A numerical average will be computed for each course by adding the grade point value from each grading period (academic year and summer program) and dividing it by two. The grade can only increase by one grade.

### ***Policies for Failed / D courses and changing grades***

Students who receive either a failure in a core subject area (below 60%) or a D average will be required to attend the summer school program. Students are required to attend 90% with no exceptions being made for vacation or casual absences. The School will inform parents that their child may be in need of summer school by the first week of the fourth marking period.

The changing of grades following summer school is dependent upon the student's attendance and academic performance. Students who fail a course during the summer program will be required to retake the class during the academic year (see Absences and Incompletes below).

### ***Absences and Incompletes***

Summer school is mandatory for all students who receive below a 70% average. Students who do not show up for the summer program, as well as those who stop attending or who are dismissed by the administration because of behavioral issues, will be required to repeat the course. This policy also applies to students who have a failing average in a core class at the end of the summer session

### ***Offered Courses***

Every effort will be made to offer students the courses they need during the summer program. Failed courses will take priority over those courses in which a student received a D average. Students who fail four or more core academic subjects will be retained for the upcoming academic year. Any student who fails to earn a C average in a core subject area during the summer must participate in the after school tutoring program during the following academic year.

### ***Summer School Dress-Code***

No uniform is required; however, students must follow the dress-down policy.

## ***Pupil Services***

### ***Guidance Services***

Each student will work with a guidance counselor who will assist him or her with academic issues and social concerns. The guidance counselor can also help students with study skills, career and college planning, coping with personal problems, and post-high school planning.

The guidance counselor will be available by appointment during school hours. Requests for appointments are made by completing a counseling request form or emailing the counselors directly.

### ***Student Assistance Program (SAP)***

There is a SAP team at RCCS which provides assistance to students who have academic and/or social needs. More information about the SAP program and the referral process can be found on the school's website (<https://sites.google.com/myrccs.com/sap>).nurse

### ***Health Services***

The health room will be available as needed for students who require either urgent or chronic medical care. If your student has a chronic medical condition (such as asthma, seizures, diabetes, food allergies, etc), please ensure that the school nurse is aware of the condition and that any medication that may be needed during the school day has been provided to the health room. See the Medication in School section below for further information.

Students who become ill during the school day should first inform their teacher and request to go to the health room. Ill students presenting to the health room will be evaluated by a nurse. Students who are not deemed excessively ill by the nurse are encouraged to return to class. **If your child has a temperature of 100.4 degrees Fahrenheit or higher, you will be contacted and expected to pick up your child in a timely manner.** If the school is unable to locate the parent/guardian, then it will attempt to contact individuals on the emergency contact list. Students dismissed by the nurse due to fever, are required to remain home until they have been fever-free for 24 hours without the use of fever-reducing medication.

If your child is feeling ill in the morning, please keep them home if their temperature is greater than 100 degrees Fahrenheit, or if they had a fever the previous night, if they have vomited, or if they are experiencing diarrhea. **Please keep your child home until they are fever free or symptom free for 24 hours without the use of medication.**

If your student or any member of your household is experiencing Covid-like symptoms, please have them tested immediately. RCCS will follow the communicable disease guidelines established by the Pennsylvania Department of Health (PADOH) and the Centers for Disease Control (CDC). RCCS asks that you notify the school nurse of any positive cases of Covid-19 in your household. The school nurse will provide you with guidance for a safe return to school for your child.

At times throughout the school year, your child will be dismissed from class in order to complete state-mandated health screenings that may include height, weight, vision, hearing, or scoliosis screening. If the screening indicates the need for a more thorough evaluation by your medical provider, your child will receive a referral from RCCS. Please have the referral completed by your family provider and return the referral form to the school. If you need assistance locating a provider, please contact the school nurse.

If you discover your child has lice, please keep them home and treat with an over-the-counter treatment. Contact the school nurse to notify the school and to receive information regarding successful re-admission procedures.

## ***Health Requirements***

Upon original entrance to RCCS, students are required to provide current immunization records as well as both a physical and dental examination completed within the past year. These records are kept on file at the school. Failure to provide proof of current required immunizations may lead to denial of attendance at RCCS until the proper documentation is received by the school. Additional physical examinations are also required in Grade 6 and Grade 11. Dental examinations are also required again in Grade 3 and Grade 7. Parents should contact the school nurse to ensure that their child has received all required vaccinations and has completed all necessary examinations or if you have questions or need more information.

## ***Medication***

Please contact the school nurse if your student requires either a physician-prescribed medication or an over-the-counter medication which must be given at school. A parent or an adult must deliver the medication to the health room. Students should not carry the medication to school themselves. RCCS must receive signed, written permission from the parent and the prescribing doctor for the school to administer any medications to students. The medication permission form must include the name of the medication and instructions for its administration (time and dosage). Medication permission forms are available from the RCCS school nurse.

RCCS's Health Services has obtained written medication orders from the school physician for the treatment of a variety of injuries and minor illnesses that may occur during the school day. These medications include:

- cough drops

- wound wash
- vaseline
- saline eye wash
- visine allergy eye drops
- triple antibiotic ointment
- caladryl anti-itch lotion
- sting kill for insect stings
- Benadryl (for use in an allergic emergency, not for daily allergies)
- Tums (at the secondary level only)

If you do not wish for your child to receive one or more of these standard medications, please notify the school nurse immediately.

### ***Emergency Phone Numbers***

It is extremely important that the school has a record of phone numbers to reach parents/guardians in the event of an illness or injury to your child during the school day. Update these numbers as needed by sending a note to the main office. The school is not responsible for updating phone numbers and addresses for students. Parents should keep the school updated with all the pertinent information in case of an emergency.

### ***Parent and Family Involvement***

Parent and Family Involvement group objectives include:

1. Promoting a closer relationship between the home and the school in order that parents and teachers may cooperate effectively in the training of the child.
2. Uniting efforts that will secure for every child the highest advantages in physical, mental, and social education.

Please call (610) 439-5181 and get involved.

### ***Public Input***

Any parent, resident or community group shall have the right to present a request, suggestion or opinion concerning the school and/or the programs offered. The public's voice will be considered with the purpose of improving education for the students at RCCS. The Board has a duty to protect its staff from unnecessary harassment and maintain a safe and instructional environment for the students. It is the intent of this policy to provide a fair and impartial manner for seeking appropriate and constructive input from the public.

Any input of the public shall be first considered by direct discussion of an informal type among the interested parties. The Principal/CEO shall be the first contact between the public and the school. It is only when such informal meetings are not successful that more formal procedures will be employed.

The CEO/Principal shall prepare formal procedures for public input.

### ***Volunteers in School***

Parents/guardians and anyone interested in volunteering at our school should contact Human Resources regarding required documentation. For more information on clearances visit the volunteer section on the school's website at: [myrccs.com/how\\_to\\_volunteer.html](http://myrccs.com/how_to_volunteer.html)

# *School Procedures, Policies, and Regulations*

## *Attendance*

RCCS adheres to provisions for attendance and truancy under Pennsylvania Act 138. Students must attend school from 8:00 a.m. to 2:55 p.m. in its entirety to be considered present for the school day. Regular school attendance is vital to academic success. A student who is absent frequently will not be able to achieve his/her potential ability because of missed work. Therefore, all RCCS students are expected to report to school daily by 8:00 a.m., unless they have a legal excuse.

**\*A written excuse must be submitted to the main office within 3 days of the absence in order for it to be excused.** A written excuse must be provided, whether or not you called in the absence. If no written excuse is provided, the absence will be considered unlawful/unexcused. Once an unlawful/unexcused absence is recorded, RCCS will not make changes.

**\*A doctor's note is required for extended illness absences and for a student who has had more than 10 illness absences during the school year. Failure to provide a doctor's excuse will result in an illegal absence.**

**Legal or excused absences** and late arrivals are defined as the following:

- Illness of student
- Death in the family of student
- Suspension of the student
- Physical incapacity of the student
- Court attendance

A **written request** must be submitted and approved by the Principal **before** the day(s) in order for the absence to be excused:

- Religious holiday
- Educational trip

**Unlawful or unexcused absences** and late arrivals are defined as the following:

- Trips not approved by the principal or principal's designee
- Absence from or late arrival to school with the parent's consent for reasons other than those considered excusable.
- Absence or late arrival for which no legal excuse has been returned within 3 school days.

Students who are absent with a legal excuse will be permitted to make up any work that was missed. It is the student's responsibility to make up any assignments within a reasonable amount of time. Students who are unlawfully absent, or absent without an excuse, from school will not be permitted to make up any work missed on the day of the absence.

## *Truancy*

Truancy refers to when a student has **3 or more unexcused absences** in the current school year. These absences do not need to be in a row. Upon the 3<sup>rd</sup> unexcused absence, a student is considered truant. RCCS will issue a truancy notice to the student's parent/guardian within 10 days of the student's 3<sup>rd</sup> unexcused absence.

## *Habitual Truancy*

Habitual truancy refers to when a student has **6 or more unexcused absences** in the current school year. These absences do not need to be in a row.

Upon the 6th unexcused absence, a student is considered habitually truant. RCCS will issue a truancy notice to the student's parent/guardian within 10 days of the student's 6th unexcused absence. RCCS will also hold a school attendance improvement conference. Written notification will be sent to a student's parent/guardian prior to the

conference requesting their attendance at the conference. If a parent/guardian does not respond to the written request, RCCS will attempt to contact them by phone. RCCS will still hold a school attendance improvement conference for a student if a parent does not attend the conference. At the attendance improvement conference, RCCS will create a plan to help a student attend school.

After an attendance improvement conference is held and a plan is put in place, if a student has more unexcused absences, RCCS must refer the student to either a school-based or community-based attendance improvement program or Children and Youth Services. In addition, RCCS may file a citation against a student's parent/guardian in district court. RCCS may file a citation for each additional unexcused absence after the initial 6<sup>th</sup> unexcused absence occurred. If a student accumulates 10 unexcused absences, RCCS will issue a "10 Day Letter" to notify their parent/guardian. **Any student who is absent illegally or unexcused for ten (10) consecutive days will be immediately dropped from the school's rolls.**

Attendance in each class and to school, separately, is necessary for any student to pass his/her classes in each marking period. Students are required to have at least 80% attendance in every class to pass each marking period. In addition students are required to maintain at least 80% attendance for the full year in order to be promoted into the next grade level. Seniors are required to maintain at least a 90% attendance for the full year in order to graduate.

Students are expected to arrive at school at the appropriate time each day. Students who do not arrive on time to school will be subject to prosecution for truancy due to the accumulation of missed time at school.

Students must be present at least four hours in a school day to have the day count as a full day of school.

If your child must be absent for any reason, we ask that you do two things:

- Call the school (610-439-5181) between 7:30 a.m. and 8:00 a.m. on the morning of the absence. If the absence continues for more than one day, it is necessary to call every day unless specifically requested not to. If we do not receive a call identifying the reason for an absence, we will attempt to contact the parent/guardian at home or at work to verify the absence.
- If your child is absent for one to three days, then a written note is needed with a detailed reason for your child's absence. The note **must** indicate your child's name, the date(s) of the absence, and the reason for the absence. This note **must** have the parent/guardian signature. If the illness continues for more than 3 days, it is necessary to have a doctor's note detailing the reason for the absence. Certain circumstances may warrant a doctor's note before a student will be allowed to return to school.

### ***Leaving School without Permission***

Students are not permitted to leave the school building under any circumstances without permission. Students who leave the school and wish to come back on the same day will not be permitted to re-enter the school. Every attempt will be made to contact the parent or guardian of record to notify them that the student has left school. Students who leave school without permission will be subject to immediate suspension.

### ***Dismissal for Appointments***

In the event that a medical appointment is scheduled for a student during school hours, a doctor's or parent note will be required to count the absence as legal/excused. Please send a note **(24 hours in advance if possible)** to school with your child specifying the date of the appointment and the time you want your child to be released. If your child has an appointment scheduled during school day hours, we ask that you do the following:

1. If your child has an appointment early in the morning and your child will not report to school until after the appointment, notify the main office in writing, in person, or via phone call, by 8:00 a.m. on the day of the appointment.
2. If your child has an appointment later in the day requiring an early dismissal, notify the main office in writing, in person, or via phone call, by 8:00 a.m. on the day of the appointment.

All students who need to leave the school before dismissal time must be signed out and picked up by a parent/guardian. **If a person other than the parent or guardian will pick up the student, this person must be included in the emergency contact list and must present ID at the time of signing out the student.** RCCS does not allow early dismissal as a privilege.

### ***School Tardiness***

All RCCS students are expected to report to their homerooms no later than 8:00 a.m. Any student who is not seated in the homeroom by 8:00 a.m. is considered tardy. If a student arrives at school later than 8:15 a.m., a parent or legal guardian must sign-in the student in order for the student to be admitted to school.

If a student is going to be late to school, a written note is required specifying the reason for the delay. Students that arrive late to school must report to the front desk to receive a late pass in order to be admitted to class.

After a student accumulates 3 tardy days, they will have a conference with the attendance officer and the principal. After a student accumulates 5 tardy days, a conference with the parent will take place.

**If your child is going to be late to school, please call prior to 8:10 a.m. in order to inform.**

### ***Tardiness to Class***

Students will be allowed 3-minutes to arrive at their class during school hours. Tardiness to class will be handled as follows:

#### Class Tardiness

- 0 – 4 minutes late – students will have class consequences as outlined in the teacher’s classroom management plan and team guidelines.
- Above 4 minutes late will be considered cutting class (level 2 violation).

School tardiness will be handled according to the procedures outlined in the student/parent handbook.

\*Please be aware that there will be a 7:57 bell to alert students of the homeroom bell at 8:00 am.

### ***Family or Voluntary Trips***

To avoid interruption of your child’s educational program, we recommend that you schedule trips during the summer months or during holiday vacations when schools are closed.

Regulations of the State of Pennsylvania provide that, upon a written request from the parents/guardians of the pupil involved, the pupil may be excused from school attendance to participate in an educational tour or trip not sponsored by the school. The trip must be evaluated by the school Principal as being educational, and the adult supervision must be acceptable to both Superintendent and to the pupil’s parents/guardians.

The Roberto Clemente Charter School CEO/Principal is designated to make the initial decision, based on information provided by the parents/guardians.

1. This Leave of Absence Request must be submitted to the Principal a minimum of five (5) days prior to the trip except in an emergency. Parents/guardians will be notified if the request is approved or not.

2. The request will be approved only if it is determined that the trip/tour is of educational value to the student or if there is a documented family emergency.
3. Unless there are unusual or emergency circumstances, requests will not be approved for the first (10) days of school, during semester examination periods at the secondary level, during RCCS standardized testing period, or during the state's testing periods.
4. If more than one child is making the trip, a separate request must be submitted to the Principal for each child.
5. No more than ten (10) school days will be approved for an educational trip/tour or family emergency in any school year. Special requests involving extraordinary circumstances or exceptional opportunities for learning should be discussed in person with the Principal well in advance of the requested days of absence.
6. Satisfactory academic achievement will be considered in the approval of such a request.
7. Please note that the student assumes all responsibility for make-up work or failure due to an extended absence. It is the student's responsibility to obtain a list of assignments from his/her teachers.

If a student does not hand in his/her assignments upon return, it may result in an incomplete grade for the quarter. In this case, the student will have 30 days to remove the Incomplete. After 30 days incomplete work that has not been made up becomes a zero.

### ***Transfer/withdrawal from RCCS***

If your child will be transferring from Roberto Clemente Charter School to another school, a parent/guardian must notify the school with a minimum of two-day notice. The parent needs to come to the office and sign a withdrawal consent form. The student will have to go to all of his/her teachers, return books and any other instructional materials, and pay any outstanding debts. When this has been done, a copy of the withdrawal consent will be given to the student to take to his/her new school. School officials will then request records from RCCS.

This prohibition includes intentionally seeking information about passwords belonging to other users, modifying passwords belonging to other users, or attempting to log in through another person's account. Further, users may not attempt to access, copy, or modify another user's files. These actions are not permitted and may be illegal, even if only for the purposes of "browsing."

## *Dress Code*

### *Dress Code Rationale*

Dress code is the unwritten, but understood by most members of the society, rules of clothing as an aspect of human physical appearance. Clothing like other aspects of human physical appearance has social significance. The dress code has built-in rules or signals indicating the message being given by a person's clothing and how it is worn. Clothes convey social messages.

Roberto Clemente Charter School (RCCS) is committed to preparing our students for the professional/working environment after they graduate from high school and college. As a result of this vision, the RCCS' School Board has established a dress code that must be observed by students and staff. This dress code includes a school uniform and dress down rules for certain days declared as dress down days. A business casual dress is the standard for this dress code. Not all casual clothing is suitable for the professional/workplace. Clothing that works well for the beach, yard work, dance clubs, exercise sessions, and sports contests may not be appropriate for a professional appearance at work. Clothing that reveals too much skin, your back, your chest, your feet, your stomach or your undergarments is not permitted. Any clothing that has words, terms, or pictures that may be offensive to others is unacceptable.

### *Dress Code*

The dress guidelines are designed to provide students, faculty, and the administration the most conducive working environment. The school uniform must be worn to school. Listed are the uniform requirements for all students:

For trips that may be classified as extra-curricular such as class trips, club trips, picnics or outings, financial support must come from other than Board funds (i.e. parents/guardians, school/parent organization, etc.)

## ***Disciplinary Actions***

Any disciplinary action taken by the school is intended to benefit the student by improving attitude and subsequent behavior. The disciplinary options available to the school are regulated by law and school policy. The disciplinary option chosen depends on (1) the nature of the offense, (2) the nature of the student’s previous behavior, and (3) stated policy or precedent based on previous actions.

Potential disciplinary actions included: detentions, in-school suspensions, Saturday detentions, out of school suspension, expulsion.

### ***Denial of Student Privileges***

Privileges must be earned. They will be withdrawn for improper behavior. The length of denial depends on (1) the nature of the offense and (2) the previous behavior of the student. Privileges can be denied from one day to the entire year, depending on the circumstances. Students who do not have passing grades in all subjects may not be allowed to participate in any activities.

### ***After School Detention***

Detention is assigned in a 45 minute block and is served from 3:15 p.m. to 4:00 p.m. on the day following the infraction or as assigned by the Assistant Principal. On some occasions, as approved by the Assistant Principal, students may serve detention during tutoring time provided by the teacher. Failure to report to an assigned detention may result in a scheduled Saturday detention. If a student does not come to their scheduled Saturday detention, a one day suspension from school may be issued. The only legitimate excuse for not reporting to a detention is a doctor or dental appointment. In this case, the student must show proof of visit, and will need to make up their detention the following day. RCCS will provide verification of a student’s detention upon request.

### ***Suspension from School***

Suspension is the temporary exclusion from school and all school-related activities for serious and or repeated infractions of school rules. Students suspended from school are excluded from all school activities including field trips, assemblies, and all extra-curricular activities. The length of the suspension can run one to ten days, depending on the nature of the infraction. Parents will be notified by mail and by telephone, and in most cases, must confer with the administration before the student is readmitted to school. Suspension should be the last resort taken to redirect student misbehavior. Students who are suspended are not eligible for honor roll status during the current rating period regardless of their academic average. Students cannot be on school grounds or surroundings while on suspension or participate in extracurricular activities.

***The student must be accompanied by a parent/guardian upon re-entering the school after a suspension.***

If the suspension exceeds four days, the parent/guardian has the right to request a suspension hearing.

**The following actions may result in immediate suspension:**

- Fighting (all students involved, regardless who started the fight)

- Assaulting a staff member, student, or visitor to RCCS
- Sexual harassment
- Cutting class (leaving the school premises)
- Writing on walls, destroying school property or any other type of vandalism
- Possession of a weapons, drugs, or sexual content
- Refusal of direct order from administration and staff (Insubordination)
- Violating established school bus rules or any other school provided transportation rules (Fighting, possession of drugs, assault and or possession of weapon)

### ***Expulsion from School***

Expulsion is the permanent exclusion from school. Such action results from a Board of Trustees action preceded by the recommendations from the principal or CEO. Recommendation for expulsion may be repeated misconduct, theft, illegal drug activity, inciting a riot, actions that endanger the welfare of others, assault upon a staff member and vandalism.

## ***Unacceptable Behavior***

### ***Abusive Language***

Foul and abusive language will not be tolerated. Students who engage in the use of foul and/or abusive language will be subject to progressive discipline:

1. First Time – Warning
2. Second Time – Behavioral Contract and parental contact
3. Third Time – Office referral/Suspension of privilege (casual day, dance, trip, etc.)

### ***Assault***

Any form of assault will be dealt with as a criminal offense. The police will be called immediately. The student involved will be subject to immediate suspension pending due process for possible expulsion.

### ***Anti-Bullying policy***

The Roberto Clemente Charter School prohibits acts of harassment or bullying. The Board of Trustees has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

"Harassment or bullying" is any gesture or written, verbal, graphic, or physical act (including electronically transmitted acts – i.e. internet, cell phone, or wireless handheld device) that is reasonably perceived as being motivated either by any actual or perceived characteristic, such as race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression; or a mental, physical, or sensory disability or impairment; or by any other distinguishing characteristic. Such behavior is considered harassment or bullying whether it takes place on or off school property, at any school-sponsored function, or in a school vehicle. If it is initiated off school grounds, the school will take the appropriate measures to contact the proper authorities.

All RCCS students have the right to be educated in an environment free of discriminatory practices, including unlawful harassment. The Board of Trustees is committed to establishing and maintaining an educational environment free from unwelcome sexual conduct, either verbal or physical, for all students. This policy applies to

third parties. The term harassment includes but is not limited to repeated, unwelcome and offensive slurs, jokes, or other verbal, graphic or physical conduct relating to an individual's race, color, religion, ancestry, gender, sexual orientation, national origin, age or handicap/disability that create an intimidating, hostile or offensive educational environment.

**Bullying** is defined as intentional electronic, written, verbal, visual, or physical act and/or series of acts directed at another student or students that is severe, persistent or pervasive and has the effect of doing the following: (1) Substantial interference with a student's education; (2) Creation of a threatening environment; (3) It occurs within an interpersonal relationship where there is an imbalance of power (e.g. one person is physically larger, stronger, mentally quicker, or socially more powerful); (4) Substantial disruption of the orderly operation of the school. This includes cyber bullying. Students who are being bullied are encouraged to promptly report such incidents to a teacher, guidance counselor or building administrator.

The Roberto Clemente Charter School Board of Trustees expects students to conduct themselves in a manner in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors.

The Roberto Clemente Charter School Board of Trustees believes standards for student behavior must be set cooperatively through interaction among the students, parents or guardians, staff, and community members of the school district, thereby producing an atmosphere which encourages the students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for district and community property on the part of students, staff, and community members.

The Roberto Clemente Charter School Board of Trustees believes that the best discipline is self-imposed, and is the responsibility of staff, as monitored by the Assistant Principal, to use disciplinary situations as opportunities for helping students learn to assume responsibility and the consequences of their behavior. Staff members who interact with students shall apply best practices as defined in the Code of Conduct to *prevent* discipline problems and encourage students' abilities to develop self-discipline.

Since bystander support of harassment or bullying can support these behaviors, the school prohibits both active and passive support for acts of harassment or bullying. The staff should encourage students to support students constructively in an attempt to stop them or report them to the designated authority.

The Roberto Clemente Charter School Board of Trustees requires its school administrators to develop and implement procedures that ensure *both* the appropriate consequences *and* remedial responses to a student or staff member who commits one or more acts of harassment or bullying. The following factors, at a minimum, shall be given full consideration by school administrators in the development of the procedures for determining appropriate consequences and remedial measures for each act of harassment or bullying.

### ***Factors for Determining Consequences***

- Age, development, and maturity levels of the parties involved
- Degree of harm
- Surrounding circumstances
- Nature and severity of the behavior(s)

- General staff management of classrooms or other educational environments
- Staff ability to prevent and de-escalate difficult or inflammatory situations

- Family situation

Consequences and appropriate remedial actions for a student or staff member who commits one or more acts of harassment or bullying may range from positive behavioral interventions up to and including suspension or expulsion, in the case of a student, or suspension or termination in the case of an employee, as set forth in the Board of Trustees approved Code of Student Conduct or Employee Handbook. RCCS has a “No Tolerance” policy toward Bullying and strictly enforces this policy at all times.

Consequences for a student who commits an act of harassment or bullying shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the student, and the student’s history of problem behaviors and performance, and must be consistent with the Board of Trustees’ approved Code of Student Conduct. Remedial measures shall be designed to: *correct the problem behavior*; *prevent another occurrence* of the behavior; and *protect the victim* of the act. Effective discipline should employ a school-wide approach to adopt a rubric of bullying offenses and the associated consequences. The consequences and remedial measures may include, but are not limited to, the examples listed below:

### ***Examples of Consequences***

- Temporary removal from the classroom
- Loss of school privileges or exclusion from school sponsored activities

The Roberto Clemente Charter School Board of Trustees requires the principal and/or the principal's designee to be responsible for receiving complaints alleging violations of this policy. All school employees are required to report alleged violations of this policy to the principal or the principal's designee.

All other members of the school community, including students, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. Reports may be made anonymously, but formal disciplinary action *may not* be based solely on the basis of an anonymous report.

The Roberto Clemente Charter School Board of Trustees requires the principal and/or the principal's designee to be responsible for determining whether an alleged act constitutes a violation of this policy. In so doing, the principal and/or the principal's designee shall conduct a prompt, thorough, and complete investigation of each alleged incident. The investigation is to be completed within three school days after a report or complaint is made.

The Roberto Clemente Charter School Board of Trustees prohibits reprisal or retaliation against any person who reports an act of harassment or bullying. The consequences and appropriate remedial action for a person who

engages in reprisal or retaliation shall be determined by the administrator after consideration of the nature, severity, and circumstances of the act.

The Roberto Clemente Charter School Board of Trustees prohibits any person from falsely accusing another as a means of harassment or bullying. The consequences and appropriate remedial action for a *person* found to have falsely accused another as a means of harassment or bullying may range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for a *school employee* found to have falsely accused another as a means of harassment or bullying shall be disciplined in accordance with school policies, procedures, and agreements.

The Roberto Clemente Charter School Board of Trustees requires school officials to annually disseminate the policy to all school staff, students, and parents, along with a statement explaining that it applies to all applicable acts of harassment and bullying that occur on school property, at school-sponsored functions, or on a school bus. The Principal shall develop an annual process for discussing the school district policy on harassment and bullying with students and staff.

The Roberto Clemente Charter School shall incorporate information regarding the policy against harassment or bullying into the RCCS School Employee Training Program.

### ***Display of Affection***

Distasteful display of public affection by students is not permitted in school. No student has the right to impose the effects of their behavior on others. Kissing, hugging, etc. are not permitted. Repeated violations will result in disciplinary action. Courtesy must be observed at all times and in all situations.

### ***Drugs and Alcohol Use***

School officials recognize our responsibility to existing laws and to publicly demand that our school and school-grounds be free of drugs and drug-related activities during all school hours and events. The following are the procedures for suspected drug and/or alcohol use:

1. Any student suspected of being under the influence of drugs or alcohol during school hours or at any school-sponsored activity will be isolated from his peers in order to determine the cause of unusual behavior or conditions. Parents will be contacted immediately if the student is suspected of using or selling drugs or alcohol of any kind.
2. Any student possessing any amounts of marijuana, illegal drugs, alcohol, or any other non-prescribed drugs on school property or at a school-sponsored event, will be recommended for suspension. Parents and police will be contacted and apprised of the problem. The principal will review the entire incident and make subsequent recommendations accordingly. Students guilty of this conduct may be recommended for suspension or expulsion.

Should a student be charged with any drug offense, which allegedly took place off school property, and after school hours, the principal will interview the student to determine the role the school must take. Be assured that any student whose presence, in the opinion of the principal or CEO, constitutes a threat to the health, safety, and morals of other students and/or interferes with the educational process of this school can reasonably expect to be recommended for suspension and/or expulsion.

Given reasonable suspicion, the Roberto Clemente Charter School reserves the right to search a pupil's pockets or any possession (including but not limited to lockers, purses, gym bags, jackets, coats, parcels, packages or other containers) to discover or confiscate any prohibited materials.

## ***Fighting***

All students, no matter what the circumstances, should make every effort to avoid fighting and should seek help from professional school staff. Consult your teacher or principal about any problems you may have with another student. Students involved in fighting may receive a citation from the Allentown Police Department.

Parties involved in a fight on the Roberto Clemente Charter School property during school hours or school activity may be suspended and/ or arrested based upon the school principal's recommendation.

## ***Forgery***

Forging excuse notes, late passes, or hall passes may be punished by suspension based upon administrative discretion.

## ***Plagiarism***

The act of claiming the work of another person and calling it your own is plagiarism. Such action on the part of the student is unacceptable and will not be tolerated. A teacher reasonably suspecting plagiarism may require the student to rewrite the work or simply give the student a "0." A willing accomplice to plagiarism is treated as if he/she committed the offense. Students who are guilty of plagiarism may have it marked in their permanent school record, depending on the severity of the offense.

## ***Copying/Cheating***

A student caught cheating or copying work of another student will be disciplined. A teacher reasonably suspecting copying/cheating may require the student to rewrite the work or simply give the student a "0." A willing accomplice to copying/cheating is treated as if he/she committed the offense.

## ***Insubordination and Disrespect***

A pupil who is insubordinate or disrespectful to any staff member may be suspended based upon the discretion of the administration.

## ***Leaving School Grounds***

Students are not permitted to leave the school building without specific permission from the principal. Any student violating this policy will be subject to disciplinary action.

## ***Electronic Communication Devices (such as cellular phones and smart watches)***

The possession/use of communication devices by the school employees, where supportive of the general welfare and the educational program of the school, is endorsed. Technology plays a large role in our students' lives. Personal devices can enhance and enrich learning opportunities both at home and in school. RCCS is committed to allowing responsible, learning-centered use of personal devices at school to provide as many pathways to learning for our students. Students will be allowed to use their cell phones during permitted class times only for instructional purposes and only under teacher discretion and direct supervision.

If a student is found to be using a cell phone during instructional time without instructor approval, direction and supervision, the teacher will issue a warning and hold the device until the end of the class period when it can be returned to the student.

A second offense will result in the instructor holding the device until the end of the school day when it can be returned to the student.

A third offense will result in the teacher submitting an office referral as well as bringing the device to the front office. An administrator will contact the parent and the device returned to the parent.

A fourth incident will result in another office referral, parent contact, and administration will hold the device for 7 days.

A fifth incident will result in another office referral and administration will keep the phone at school for a week. RCCS will not be responsible for electronic devices lost, stolen, or damaged.

Smart watches will not be allowed during the school day. Smart watches provide a level of distraction during instructional time that is difficult to supervise. If a student is wearing a smartwatch, they will be asked to put it away in their locker. If a student is found with it a second time, the watch will be taken by a staff member and held in the main office until the end of the day. A member of Administration will contact the parent/guardian and the watch will be returned to them. If a watch is taken to the office a second time, the school will contact the parent/guardian and hold the device for a week and then it will be returned to the parent/guardian. Students may not use any of these devices during instructional time or the school day. Therefore, any such device found in areas other than the areas designated by the administration, will be confiscated. After the first offense the communication device will be confiscated, and parents will be contacted. Both the student and the parent will be reminded of the rules and the device will be returned to the parent.

### ***Other Electronic Devices***

**Personal electronic devices such as Ipods, MP3 players, headphones, video games, etc. are not permitted in school unless approved by teachers to support or improve the general welfare and the educational program of the school.**

## ***Homeless Act: McKinney Vento Act***

### **About Homeless Act-McKinney Vento Act:**

The McKinney-Vento Homeless Education Assistance Act guarantees a free and appropriate public education for all homeless children and youth. B.E.C. 42 U.S.C. 11431 outlines procedures for deciding school placement, enrolling students, and determining responsibility. Federal and state laws make our responsibility clear. With the huge number of homeless children currently attending public schools, we must provide proper educational support and services.

### **McKinney-Vento Act Basics At-a-Glance:**

#### **What is the definition of a “homeless youth” under McKinney Vento?**

“Homeless” is defined as “anyone lacking a fixed, adequate, regular nighttime residence.”

#### **What situations fit this description?**

- Staying in the home of other people due to unavailable housing, financial hardship, or similar circumstances
- Living in motels, hotels, trailer parks (in some instances-examples: leaking roof, no heat, etc.), public places, or campgrounds due to unavailable suitable housing options
- Living in an emergency shelter or transitional housing
- Unaccompanied (not living in direct care of legal parent or guardian) or runaway youth
- Refugee and migrant youth

#### **How does McKinney-Vento help these students?**

The law makes sure that these students receive a free and suitable public education by removing barriers to school enrollment and full basic, daily participation in school activities.

This includes:

- Immediate enrollment
- Free and Reduced School Lunch
- Help from school with any necessary enrollment documents
- Help from school with basic school supplies
- Help from school with getting basic uniform clothing
- Help from school with any basic clothing needs
- Help from school with basic high school graduation
- Help from school setting up transportation service needs

# ***CODE OF CONDUCT***

## **Roberto Clemente Charter School Code of Conduct**

### **Code of Conduct/Incorporating Restorative Practices**

#### **Introduction:**

To promote the intellectual, social, emotional and physical growth of all students, the Roberto Clemente Charter School provides a safe and secure learning environment for all students and staff. We promote respect for self and others through good conduct modeled by staff, students, and parents/guardians. When relationships break down, we repair them through restorative practices. Restorative Practices is a form of progressive discipline. It does not seek punishment. Instead, progressive discipline seeks concurrent accountability and behavioral change.

This Code of Conduct and Restorative Practices is presented to assist students, staff and parents/guardians to understand the expectations for acceptable conduct while in school or attending school-sponsored activities, on school grounds, and while away to and from school. All students are expected to follow the Code of Conduct. Administration will review core principles and key components of the Code of Conduct/Restorative Practices with staff and students at the beginning of each school year, and as needed throughout the year. We ask families to do the same with their children. It is the collective responsibility of all students, staff, and parents/guardians to ensure that the expectations set forth in this Code of Conduct are adhered to. Responses to violations of the Code of Conduct will be developmentally age-appropriate and a balance of proportional consequences and restorative practices. Equally imperative, all school faculty and staff must affirm clear and consistent behavioral expectations that set the tone for a safe, orderly, and respectful school community. School faculty and staff must be fair and consistent in addressing student behavior in a manner which enables students to learn from their mistakes and be accountable for their misconduct.

#### **We Value:**

- Justice and Fairness – Demonstrating impartial, unbiased and equitable treatment for all
- Inclusiveness – The quality of including all sections of society
- Honesty – Being truthful in word and action
- Respect – Showing high regard for self, others, and property
- Responsibility – Being accountable for individual behavior
- Self-esteem – Confidence in one’s own worth or ability
- Caring – Showing concern for the well-being of others
- Citizenship – Being an informed, responsible, and caring participant in the community
- Courage – Doing the right thing in the face of adversity
- Perseverance – Demonstrating commitment, pride, and a positive attitude in completing tasks

Students, staff, and parents/guardians must be partners in education.

Administration, faculty and staff will:

- Establish and maintain a positive, safe, secure, orderly, and non-threatening learning environment that allows for open communication, dialogue, and discussion;
  - They will be courteous and respectful to all, being sensitive to individual needs, and using appropriate language;
  - Treat individual students fairly, consistently, and respectfully;
  - Provide due process and appeal procedures;
  - Be cooperative and provide support to administration, staff, and students, in the performance of their duties;
  - Refer students to counseling and support services when the need arises;

- Actively engage every student in the learning process and promote achievement of high academic standards;
  - Be precise about expectations regarding student conduct and learning outcomes;
  - Communicate student progress and behavior to students, parents/guardians and other staff in a timely, consistent and effective manner.

The parent/guardian partners are asked to:

- Establish conditions for your child’s academic, social and emotional success:
  - Provide space, time, and necessary supervision in which their child can study and complete assignments;
  - Ensure that their child attends school in compliance with the law;
  - Ensure that their child is appropriately dressed for school;
  - Be supportive of the staff’s authority and responsibility to maintain a positive, productive, safe, orderly and non-threatening learning environment;
  - Monitor your child’s social media activity to ensure that all are safe.

Student partners are expected to:

- Engage in their academic growth;
  - Attend school regularly and be on time for school and classes;
  - Be prepared for and participate in learning by having a positive attitude, asking thoughtful questions, completing and returning homework on time, and seeking help when needed;
  - Demonstrate personal academic integrity and social responsibility in their interactions with everyone;
  - Act responsibly towards those you interact with face-to-face and/or online;
  - Commit themselves to constant personal growth and improvement.
- Respect one another’s differences and resolve conflicts using restorative practices: discussion, peer mediation, or assistance from school personnel:
  - Contribute to the creation and maintenance of a safe, clean, and orderly school;
    - Follow all lawful directions;
    - Respect themselves and others;

- Take responsibility for their own behavior, realizing that there are always options and consequences for choices;
- Dress in an appropriate and safe fashion;
- Bring home communication from school and return all necessary materials;
- Respect school property and the personal property of others.

### ***Restorative Practices***

Restorative Practices are a framework for building community and responding to challenging behavior through authentic dialogue leading to understanding and action to set things right and repair and restore damaged relationships. The process supports initiators in acknowledging and repairing the harm done, helps victims and witnesses process what happened, and helps the class or school community rebuild trust.

All members of a school community bring with them diverse abilities, interests, viewpoints, and family and cultural backgrounds. These differences can be a source of great energy and strength when members of the community value and respect one another. Using restorative practices to foster interpersonal and intergroup relations and to address inappropriate behavior when it occurs is a cornerstone of a progressive approach to discipline.

A restorative approach to discipline changes the fundamental questions that are asked when a behavioral incident occurs. Instead of asking who is to blame and how those engaged in the behavior will be punished, a restorative approach asks four key questions:

1. What happened?
2. Who was harmed or affected by the behavior?
3. What needs to be done to make things right?
4. How can people behave differently in the future?

### ***Types of Restorative Approaches***

**Circle Process:** Regular use of restorative circles within the instructional program of the school is a significant prevention and intervention strategy. The circle process enables a group to build relationships and establish understanding and trust, create a sense of community, learn how to make decisions together, develop agreements for the mutual good, resolve difficult issues, etc.

Students are the largest group of stakeholders in a school community and its greatest natural resource in creating and sustaining a safe and supportive school environment. Building community among students and between students and staff members is integral to creating a supportive and inclusive school culture. When students feel accepted, valued, respected and included, they build a positive connection to school and foster resilience.

Community building circles focus on:

- Safety and Trust – Community members need a sense of safety and trust to connect with one another.
- Honor – Members interact with fairness and integrity and acknowledge their personal responsibility for their actions.
- Openness – Community members feel free to share their thoughts and feelings.
- Respect – To bond as a community, members must feel that they are valued and respected as individuals, and they must respond respectfully to one another.

- Empowerment – A sense of empowerment is a crucial element and a desired outcome of being a member of a community. Community support enables members to gain a new view of themselves and a new sense of confidence in their abilities.

When used as an intervention measure to address inappropriate student behavior, restorative circles empower community members to take responsibility for the well-being of others; prevent or deal with conflict before it escalates; address underlying factors that lead youth to engage in inappropriate behavior and build resiliency; increase the pro-social skills of participants; particularly those who have harmed others; and provide wrongdoers with the opportunity to be accountable to those they have harmed and enable them to repair the harm to the extent possible.

**Collaborative Negotiation:** Using the collaborative negotiation or informal conferencing process enables an individual to talk through an issue or conflict directly with the person he/she disagrees with to arrive at a mutually satisfactory resolution. Training in collaborative negotiation includes learning active listening and other conflict resolution skills.

**Formal Restorative Conference:** A conference is facilitated by an individual who has received specific training in bringing together individuals who have acknowledged causing harm with those who have been harmed. Regardless of the circumstances, the mental and physical health, safety, and welfare of the individual who was harmed is of paramount importance when considering this option in a school setting. Both sides may bring supporters to the circle who have also been affected by the incident. The purpose of the conference is for the harm-doer and the harmed to understand each other’s perspective and come to a mutual agreement that will repair the harm as much as it is able to be repaired. A circle can also be used in response to a particular issue that affects the school community.

## ***Disciplinary Guidelines***

Roberto Clemente believes that order and discipline are essential to an effective educational environment. This commitment requires a code of discipline that clearly defines individual responsibilities, categorizes unacceptable behaviors, and provides for appropriate disciplinary procedures. Finally, to be effective the code must:

1. Be preventive in nature.
2. Promote self-discipline.
3. Concern itself with the welfare of the individual as well as that of the school community as a whole.
4. Promote a close working relationship between parents and the school staff.
5. Discriminate between minor and serious offenses as well as between first-time and repeated offenses.
6. Provide disciplinary procedures that are appropriate to the misconduct.
7. Be administered in a way that is firm, reasonable, consistent and fair.
8. Encourage a high regard for every person’s right to reasonable hearing procedures and due process when accused of misconduct.
9. Be in compliance with the provisions of federal, state, and local law as well as with guidelines and directives of the Pennsylvania Department of Education.

**Whenever students violate the rules and regulations of the school or show disrespect for school employees or property, they shall be disciplined within the limits provided in these guidelines.**

Accused students do not have an inherent right to meet face-to-face with the student making the accusation at the time of the finding of facts by the vice-principal/principal. Also, the vice-principal/principal bases her/his decisions on the best available information and is not obligated to present to the students or her/his parents/guardians evidence of the infraction level which would be required in a state criminal court. Violations of law normally are promptly referred to the police for investigation.

**Corporal punishment**, including striking and paddling, will not be administered.

However, reasonable force may still be used by teachers and school authorities under any of the following circumstances:

- To quell a disturbance
- To obtain possession of weapons or other dangerous objects
- For the purpose of self-defense
- For the protection of persons or property

The discipline of students is the responsibility of the school while the student is on school property and/or on school conducted field trips, school bus or other school sponsored activities. Students are required to abide by the discipline codes of the school. The administrators of the school will determine the consequences for misconduct by students.

Four levels of misconduct are identified. Examples are provide with specific procedures explained. It is understood that a student's right to Due Process will be honored.

The types of misconduct and examples of infractions and the "procedures" and "options" specified shall be treated as guidelines for use by teachers, the administration and the School Board in dealing with matters relating to student conduct and deportment. The following shall not constitute a limitation upon the authority granted to teachers, administrator and the School Board the Public School Code of 1949 including the authority granted by sections 1317 and 1318 of the Public School Code of 1949, as amended.

Note: For special needs students only, when the total days suspensions of a student reaches ten Consecutive (Federal) or fifteen cumulative (PA) for the school year, the staff will schedule a Multi-Disciplinary Evaluation. Also, when a manifestation review is necessary, it will be scheduled by the staff of the school.

Note: Re-Enrollment – At the end of each school year, all current students must be re-enrolled for the next school year. Failure to meet the school requirement for correction of behavior may deprive the student of the privilege to be re-enrolled.

### **Definition of Terms**

**Administrative Review** – a formal hearing between school administration, a student, and his/her guardian(s). This hearing will focus on behavioral patterns and incidents involving the student throughout the current school year. Behavior contracts will be issued to students after completion of the administrative review. Failure to comply with a behavioral contract will result in a judicial review.

**Behavior Modification Counseling**-The school helps the student understand the causes and ramifications of his/her misconduct and develops with the student a specific plan for changing behavior. A counselor will meet with the student within a week of approval and a minimum of once every three weeks thereafter. The Counselor coordinates with parent/guardian, teacher and principal.

**Behavioral Contact** – A written document which stipulates behaviors which are permission for the student and the consequences for failure to comply with the terms of the contract, foremost of which will be dismissed from the school.

**Cooperative Behavior**- shall be defined as the willingness of a student to work with staff and school personnel in a reasonable and helpful manner.

**Office Discipline Referral** – A written or online electronic document that states behavioral infractions committed by a student. Teachers should complete this document in a timely fashion after an infraction has occurred and forward a copy of the report to the office. This report should include all necessary information about the incident

being reported including, but not limited to, who, when, where, how, level of infraction, number of offences, action taken, parent contact information and any consequences assigned to the student.

**Classroom Discipline Report** – A written or online electronic document that states behavioral infractions committed by a student. The teacher should complete this document in a timely fashion after an infraction has occurred. This report should include all necessary information about the incident being reported including who, when, where, how, number of offences, action taken, parent contact date information and any consequences assigned to the student.

**Distributing** – deliver, sell, pass, share, or give any alcohol, drug, or mood-altering substance, as defined by this policy, from one person to another or to aid therein.

**Drug/Mood Altering Substance/Alcohol** – shall include any alcohol or malt beverage, any drug listed in Act 64 (1972) as a controlled substance, chemical, abused substance or medication for which a prescription is required under the law and/or any substance which is intended to alter mood. Examples of the above include but are not limited to beer, wine, liquor, marijuana, hashish, chemical solvent, glue, look-alike substances, and any chemical or pills. Students are not permitted to have or take any prescription or over-the-counter medications on school property.

**Drug Paraphernalia**- includes any utensil or item which in the school’s judgment can be associated with the use of drugs, alcohol, or mood-altering substances. Example include but are not limited to syringes, razor blades, roach clips, water pipes, and bowls.

**Judicial Review** – A formal expulsion hearing from Roberto Clemente Charter School between school administration, school board members, a student and his/her guardian(s). Parents/students have the right to be legally represented during this hearing. This hearing will focus on behavior patterns and incidents involving the student throughout the current school year. Students who are not expelled will be issued a behavioral contract. Judiciary hearing may be held without a student or guardians present if the student or guardian refuses to attend. Violation of behavioral contracts from judicial review will result in another judicial review for expulsion from the school.

**Possession**- possess or hold, without any attempt to distribute any alcohol, drug, or mood altering substance determined to be illegal and/or as defined by this policy.

**Suspension** - Discipline issued by the principal of the school to a student who has broken a school rule. Suspended students and their parent/guardian are required to meet with the principal or his/her designee before returning to school after being suspended. Students who are suspended may not be on school property unless meeting at a predetermined time, with an administrator. Note: Suspension days may differ from information found in Level Procedures for special needs students.

**Uncooperative Behavior** – is resistance or refusal, verbal, physical or passive, on the part of the student, to comply with the reasonable request or recommendations of the school personnel. Defiance, assault, deceit, and flight shall constitute examples of uncooperative student behavior. Students who are found to be uncooperative will be placed on a behavioral contract. Violation of a behavioral contract will result in either administrative review or judicial review.

### **Teacher & Administration Detention Rules**

1. After school detention will be held in the detention room or in the room of the instructor or staff member’s room that issued the detention.
2. The vice-principal or instructor who issued the detention will determine the amount of detention time to be served and when to serve it.
3. Students must report on time for after school detentions.
4. Students will write a reflection regarding the incident and will complete appropriate work assigned by their teachers. Students are responsible for bringing their assignments to their detention. An essay assignment will be given to students who fail to bring schoolwork.
5. Talking, eating, drinking, sleeping, or other inappropriate behavior will not be permitted in the detention room.
6. **Students are responsible for their own transportation after detention.**

7. Note: Students who fail to remain on task or display disruptive or inappropriate behavior, as per the student handbook, will be subject to further disciplinary action as determined by the principal.

Administrative detentions are reserved for students whose behavior is repeatedly interrupting the learning process. This detention will be assigned to students by the administration using information provided by classroom teachers.

### ***LEVEL 1 VIOLATIONS:***

Actions that interfere with the orderly operation of the class will be handled by the classroom teacher until that behavior is frequent or serious enough that it disrupts the learning environment of the classroom or the school. Teachers should keep clear documentation of all efforts made to correct or minimize these behaviors before referring the student to the office. The teacher will complete a classroom discipline report to document the incident.

Examples of Level 1 misconduct include but are not limited to:

- Unexcused tardiness to class
- Lack of courtesy and respect
- Failure to complete assignments
- Profane and inappropriate language\*
- Prankish behavior and agitation
- Wasting time
- Public display of affection
- Disruptive in the hall (running, shouting, etc.)
- Classroom disruption
- Refusal to stay in assigned seat
- Uniform violation
- Eating or drinking in class and halls
- Throwing items (resulting in no injury)
- Horseplay
- Neglect of responsibility (return of excuse cards, school forms, etc.)
- Deliberate misuse of school equipment
- Plagiarism
- Misuse of the internet & Network

\***Note:** Profane language directed by the student to an adult employee of school or guest is dealt with as a Level 3 offense.

### **LEVEL 1 PROCEDURE:**

Each classroom instructor is expected to be familiar with and incorporate restorative practices into their classrooms. Initial Level 1 infractions should be addressed by the instructor through employing appropriate disciplinary steps. If the behavior continues, the instructor will complete a classroom discipline report and parents will be contacted when appropriate. A parent conference may be scheduled at the discretion of the parent/guardian, teacher, or school administrator. Listed below are examples of procedures that teachers or staff may use to handle Level 1 violations after restorative steps have proven ineffective in controlling the behavior. Staff are not limited to the examples found below.

\*Special assignment may include: detention given by teacher, work assignment or other appropriate assignment from the instructor.

- Classroom discipline report
- Verbal reprimand
- Special assignment
- Withdrawal of privileges

- Student conference
- Detention from teacher
- Parent/guardian contact
- Parent/guardian conference
- Consult with administrator, counselor, or other teachers for behavior modification recommendations

At any time in the above discipline process the parents/guardians, teacher, and/or school administration may request a conference of concerned parties for the purpose of examining the problem(s), posing possible solutions, and reviewing progress with a plan for improvement in the student's conduct. For a student with an IEP, this conference could take the form of a Manifestation Determination (MD) Meeting, which could result in recommended changes in the Individualized Education Program (IEP). Regardless of whether the conference is informal or an MD, one possible outcome of the conference is a Behavioral Contract. Normally a student will not be dismissed from the school for Level 1 misconduct, but that could happen if eventually the misconduct is seriously disrupting the education of other students or consuming an unreasonably large amount of the school's, teacher's and/or assistant principal's time.

\*Three classroom discipline reports with at least one parent contact are necessary before school/office discipline referral.

### ***LEVEL 2 VIOLATIONS:***

Behaviors that are frequent or serious enough to disrupt the learning climate of the class or school. Examples of Level 2 misconduct include but are not limited to:

- Insubordination: (NOTE: Includes repeated refusal to follow rules or policies classified as Level 1 offenses.)

- Safety violations
- Other actions of a similar nature
- Cutting class
- Cheating on tests or other assignments
- Leaving class without permission
- Plagiarism (repeated infractions)
- Possession of banned material that is not a safety threat

### **LEVEL 2 PROCEDURES:**

- Immediate intervention
- Referral to office for collaborative conferencing or informal conference using school discipline referral
- The instructor will complete a discipline referral and parents will be contacted
- The disciplinarian may possibly recommend and schedule behavior modification counseling
- Disciplinarian will make parent contact
- An informal hearing may be scheduled at the discretion of the parents or the Administration
- Administrative detention

Level 2 Insubordination Offenses

**1<sup>st</sup> Offense** – One administrative detention

**2<sup>nd</sup> Offense** – One administrative detention

**3<sup>rd</sup> Offense**-One day in-school suspension

**4<sup>th</sup> Offense**-Two day out of school suspension

Suspensions will only be given for level 2 infractions after administrative conferences and counseling are found to be ineffective.

**Failure to attend after-school detention(s) will result in double detention(s) as determined by the principal.**

At any time in the above discipline process the parents/guardians or school principal may request a conference of concerned parties for the purpose of examining the problems(s), posing possible solutions, and reviewing progress with a plan for improvement in the student's conduct. For a student with an IEP, this conference could take the form of a Manifestation Determination (MD) Meeting, which could result in recommended changes in the Individualized Education Program (IEP). Regardless of whether the conference is informal or an MD, one possible outcome is a functional behavior assessment and the revision of the IEP.

### ***LEVEL 3 VIOLATIONS:***

Actions that are directed against persons or property but limited to the degree that they endanger the health and safety of others.

Example of Level 3 misconduct include, but are not limited to:

- Possession or use of tobacco (a lighted or unlighted cigarette, vape, vape oil, cigar, pipe, or other lighted smoking product and smokeless tobacco in any form) by any student in a school building or on school property owned by, leased by, or under control of Roberto Clemente.

### **LEVEL 3 PROCEDURES:**

Actions that are generally directed against persons or property

- Immediate intervention
- The instructor will complete an office discipline referral and parents will be contacted.
- The Administration will assess severity of situation and apply restorative steps if deemed appropriate
- Referral to office for a conference
- Behavior modification and counseling will be provided by the counselor
- Behavioral contract
- Parental contact
- Notification to police, if necessary
- Parent conference may be scheduled at the discretion of the parents or the administration
- Required parent conference before returning to school

**1<sup>st</sup> Offense-** One day out or in-school suspension

**2<sup>nd</sup> Offense-** Two days out or in-school suspension

**3<sup>rd</sup> Offense-** Two days out of school suspension

**4<sup>th</sup> Offense-** Three days out of school suspension and administrative review

**5<sup>th</sup> Offense-** Judicial review

At any time in the above discipline process the parents/guardians or school principal may request a conference of concerned parties for the purpose of examining the problem(s), posing possible solutions, and reviewing progress with a plan for improvement in the student's conduct. For a student with an IEP, this conference could take the form of a Manifestation Determination (MD) Meeting, which could result in recommended changes in the

Individualized Education Program (IEP). Regardless of whether the conference is informal or an MD, the IEP will be revised to include the results of functional behavior assessment and a behavior goal will be added to the IEP.

#### ***LEVEL 4 VIOLATIONS:***

Actions which result in violence to another person or property or which pose a direct threat to the safety of the individual or to others in the school. Examples of Level 4 misconduct include but are not limited to:

- Assault/battery
- Major vandalism

#### **LEVEL 4 PROCEDURES:**

- Immediate intervention
- The instructor will complete a discipline report and parents will be contacted.
- The principal verifies the offense, collects documentation, and meets with the student. The students and parents/guardians are required to make restitution.
- Police will be notified.
- Parents are requested to come to school immediately to remove the student.
- An informal hearing is scheduled within five days.
- Letter sent to the parents (copies to teacher, school, office, student file).
- Up to ten days out-of-school suspension
- Judicial Review

If for some reason the student who committed a Level 4 offense would continue his/her enrollment in the school then the following procedures will apply: At any time in the above discipline process, the parents/guardians or school principal may request a conference of concerned parties for the purpose of examining the problem(s), posing possible solutions, and reviewing progress with a plan for improvement in the student's conduct. Provided certain criteria are met, a formal restorative conference will be held to address the harm done. For a student with an IEP, this conference could take the form of a Manifestation Determination (MD) Meeting, which could result in recommended changes in the Individualized Education Program (IEP). Regardless of whether the conference is informal or an MD, the IEP will be revised to include the results of functional behavior assessment and a behavior goal will be added to the IEP.

#### **LEVEL 4-DRUG AND ALCOHOL SITUATIONS:**

Students may be searched for suspicion of possessing illegal drugs. In all cases in which drugs are found, students will be disciplined and prosecuted. Students suspected of being under the influence of drugs or alcohol will not be sent home from school without a parent or guardian. If the student's behavior indicates that he/she is exhibiting behavior not associated with their normal behavior pattern, their parents will be contacted to take their child home. If the student's behavior indicates that he/she is confused, disoriented, or out of control, school administration will be contacted immediately to assess the situation. All appropriate measures will be utilized and school procedures will be followed.

**A.** The use of drugs, alcohol or mood-altering substances by a student is suspected, but there is not evidence of violation of laws or school regulations.

## General Information

### Mission

Roberto Clemente Charter School: Elementary (RCECS) is a neighborhood school that was founded in 2013 by the members of the Roberto Clemente Charter School Board of Trustees. RCECS is a small learning community school that inspires and educates students to maximize their success. We provide students with a rigorous academic foundation in English and in Spanish in an environment that embraces diversity and strives for excellence using a holistic approach. We challenge students to excel and to acquire the knowledge and skills that they will need to be successful in college, secondary level of study, and as life-long learners.

### Community Spirit

At RCECS, our goal is to create a climate conducive to teaching and learning that embraces a multicultural perspective. We want to build a culture that is caring, respectful, supportive, welcoming, and has high expectations.

### School of Choice

Since RCECS is a school of choice, enrolled students and their parents/guardians are required to adhere strictly to the rules and regulations as described in this handbook. This handbook has been prepared, written, and approved by the school administrators and the Board of Trustees (The Board).

Feedback from school-community stakeholders including staff, parents, and families was taken into account in this process. Violations of the school rules and regulations may lead to serious consequences including dismissal. In order to avoid unnecessary arguments with school administrators regarding the school's discipline policies, parents/guardians and students should read the Student/Parent Handbook thoroughly prior to enrollment with RCECS.

### Vision: Future State: What We Envision- An Early College Model Program

- **Parents** who work cooperatively with the school; support the school's rules, policies, and expectations; provide the time and support at home for their child's academic work; promptly inform the teacher/school of any pertinent medical, family, home and learning problems, and ensure that their child attends school daily, on time, in uniform and ready to learn.
- **Students** who are responsible; abide by all rules and expectations of behavior; treat adults, other students, school property, and others with respect; participate in class, complete, and turn in class work and homework; are highly motivated; engage in meaningful activities; are able to work independently and in groups, and engage in the social and political world.
- **A Professional Community** that uses reflective dialogue; develops relationships among teachers and are mentors and advisors for students; has professional collaborations; shares norms and values where professionals meet to identify what they have in common; and has a collective focus on students' learning where the priority is placed on activities that promote student growth.
- **A School Community** in which students, teachers, administrators, parents, and community members are all learners; share common values, ideas, and commitments; and embrace a multicultural perspective and a collaborative approach with local resources to maximize student success.
- **Curriculum & Instruction** that provides for small classroom size; individualized instruction; academic rigor with an emphasis in standards-based learning; emphasis in reading and writing across content areas; proper assessments to verify progress; lively discussions and critical thinking; relevant, real-world context; active problem finding and problem solving; national best practices, and character development and increased social skills.
- **A Climate** which is safe and supportive; welcoming and caring; collaborative; exciting; multicultural; filled with school pride; respectful; and high in its expectations.

### Objectives

RCECS is committed to the education of the whole person with the following objectives:

1. To instill a strong sense of responsibility towards oneself and society.
2. To challenge each student to uphold a positive attitude and to conduct him or herself with dignity, respect, and responsibility.
3. To address student's emotional and social growth by providing individual and group counseling that develop self-esteem and appropriate socialization skills.
4. To offer a well-rounded curriculum that utilizes technology, so that each student may meet the challenges of a global community with a solid educational foundation.
5. To prepare each student to be successful in college, secondary level of study, and as a life-long learner.
6. To provide each student with opportunities to develop critical thinking, independence of thought, and a life-long love for learning.
7. To equip each student with knowledge and skills to make successful choices for his or her future and life career.
8. To offer opportunities for community service and experiences wherein each student will learn to be sensitive and caring toward others.
9. To promote character development, respect for others, and self-respect.
10. To encourage respect and appreciation of the individual differences among students and their cultural and linguistic backgrounds.
11. To encourage respect for every student's right to learn and every teacher's right to teach.
12. To nurture developing skills as well as foster the discovery of hidden talents and leadership potential.
13. To meet the needs and interest of each student through innovation and technology.
14. To energize school spirit by offering extracurricular activities.

## Academics

### Student Grading

RCECS utilizes a standards-based grading system following the PA Core Standards. The grading system is similar to the one in use by the Allentown School District and shows subject areas, and standards or skills in a number of academic content areas. How students are evaluated in each class depends upon several factors determined by the course, the curriculum, and teacher requirements. Students can earn the following performance level distinctions in their academic core content courses:

#### Performance Levels (Academic Content Courses)

**4- Advanced:** Excels beyond the standard

*Student demonstrates an in-depth understanding of the standard*

**3- Proficient:** Meets the standard

*Student demonstrates a satisfactory understanding of the standard*

**2-Basic:** Approaching the standard

*Student demonstrates a partial understanding of the standard*

**1- Below Basic:** Struggling to meet the standard

*Student struggles to demonstrate an adequate understanding of the standard*

RCECS students are encouraged to adopt qualities that will make them a successful learner not only throughout their schooling career, but also as lifelong learners. Students can earn the following performance levels for demonstrating qualities of a successful learner:

#### Qualities of a Successful Learner (Learning Behaviors)

##### **E: Exceeds Expectations**

*The student independently and consistently performs above grade level expectations for learning behaviors*

##### **M: Meets Expectations**

*The student currently performs at or near grade level expectations for learning behaviors*

##### **B: Below Expectations**

*The student is not yet performing at grade level expectations for learning behaviors*

Students will be assessed on the “qualities of a successful learner” using a variety of assessment tools. Student attendance rate may also impact student scores. Qualities of a successful learner include the following:

Responsible Learner	Respectful Learner	Active Learner
<ul style="list-style-type: none"> <li>• Organizes time, tasks, and materials</li> <li>• Listens attentively</li> <li>• Follows directions</li> <li>• Completes classwork</li> <li>• Completes and returns homework</li> <li>• Seeks help when appropriate</li> </ul>	<ul style="list-style-type: none"> <li>• Follows RCECS Code of Conduct and school rules</li> <li>• Exercises self-control</li> <li>• Shows consideration for others</li> </ul>	<ul style="list-style-type: none"> <li>• Displays a positive attitude</li> <li>• Works well in various settings</li> <li>• Works well collaboratively</li> </ul>

### Student Report Cards

Report cards are issued quarterly. A student who earns below a 3-Proficient in any subject area may be required to attend the after-school tutoring program and/or the summer program. Each student will be evaluated on a case-by-case basis. Report cards are a record of student academic achievement. Teacher comments are included during each quarterly report card. It is important that RCECS parent(s)/guardian(s) review and discuss their child’s report card with their child, teachers, as well as with the principal, assistant principal, and/or guidance counselor if necessary.

### Marking Period Dates

First Marking Period..... August 29, 2022 – November 2, 2022  
 Second Marking Period..... November 2, 2022 – January 24, 2023  
 Third Marking Period..... January 25, 2023 – March 31, 2023  
 Fourth Marking Period..... April 3, 2023 – June 8, 2023

### Outstanding Debts

Students are responsible for paying all outstanding debts as quickly as possible. This includes paying for lost or damaged instructional materials and supplies including but not limited to Chromebooks, calculators, workbooks, and/or reading books. Report Cards will not be released at the end of the school year to students who have outstanding debts. Educational records will not be sent to a new school until all outstanding debts are paid by students transferring out.

### **Homework Policy**

*All RCECS students are required to read 20 minutes every night and have a parent or adult sign their "Read & Respond" form.* This is a daily expectation. If a student does not complete his or her Reading homework, the student will be provided with a time during the school day to complete it. Students must make up all missed assignments due to an excused absence. If a student fails to make up any assigned work, it will be recorded as a zero unless a valid excuse is provided.

### **Multidisciplinary Project (MDP)**

The Multidisciplinary Project (MDP) is a project aimed to fulfill PA Career Education and Work Standards. The project is completed by students in cooperative groups and/or partnerships in English and in Spanish. Students showcase their project in a bilingual presentation to staff, students, and families.

### **Child Find Screening**

Roberto Clemente Elementary Charter School (RCECS) undertakes screening activities before referring students for a multidisciplinary team evaluation. Screening activities could involve Multi-Tiered System of Supports, commonly referred to as the "MTSS," or an alternative screening process. Regardless of the particular screening method employed, the screening process must include (1) periodic vision and hearing assessments by the school nurse as mandated by the School Code and (2) screening at reasonable intervals to determine whether all students are performing based on grade-appropriate standards in core academic subjects. If screening activities produce little or no improvement after a reasonable period of intervention or remediation, the child will then be referred for a multidisciplinary team evaluation. Parents who wish to request screening and evaluation for their child may do so by contacting the Principal or counselor in their child's school building.

### **Multidisciplinary Team Evaluations**

RCECS must conduct a multidisciplinary team evaluation of every child who is thought to have a disability. The multidisciplinary team is a group of professionals who are trained in and experienced with the testing, assessment, and observation of children to determine whether they have disabilities and, if so, to identify their primary educational strengths and needs. Parents are also members of the multidisciplinary team. RCECS must reevaluate school-age students receiving special education services every three years and must reevaluate children with intellectual disabilities and pre-school-age children receiving special education services every two years. Parents may request a multidisciplinary team evaluation of their children at any time. They must do so in writing. Every public school has a procedure in place by which parents can request an evaluation. For information about these procedures, contact the RCECS Special Education Coordinator, Ms. Dee Wimmer, [dwimmer@myrccs.com](mailto:dwimmer@myrccs.com) or 610-439-5181 x549.

### **Preschool Children with Special Needs**

Children preschool age three through five, are served by the Carbon Lehigh Intermediate Unit in a variety of home and school-based settings that consider the chronological and developmental age and primary needs of the child. As with school age programs, preschool programs must ensure that to the maximum extent appropriate, children with disabilities are educated with non-disabled peers at no cost to the parent. Parents who have questions regarding their child's seeing, hearing, learning, talking, moving about, manipulating objects, understanding, showing emotions, getting along with others, playing with toys, and/or taking care of himself/herself may obtain information about screening, evaluation, programs, therapy, parent involvement, and referral to community agencies by calling or writing the Carbon Lehigh Intermediate Unit (CLIU 21), Early Intervention Services, 4210 Independence Drive, Schnecksville, Pennsylvania 18078-2580. The telephone number for the Early Intervention Program is (610) 769-4111 ext. 1256.

### **Notice of Special Education Services**

RCCS provides special education and related service to children with disabilities who are ages five through twenty-one. To review the Notice of Special Education Services and Family Educational Rights and Privacy Act (FERPA) Notice, please visit [www.myrccs.com](http://www.myrccs.com).

### **English as a Second Language Program**

English as a Second Language (ESL) programming is available at RCECS. RCECS adheres to federal and state policies and procedures regarding English language learners (ELs). RCECS utilizes "sheltered" English instructional methods. All ELs receive language supports through ESL teachers and through content-area teachers. Students may be screened for ESL services based on the Home Language Survey filled out by parent(s)/guardian(s) upon enrollment into the school and/or on a review of student records. Visit the school's website for more information.

## **Summer School Policies**

### **Grading System**

Students will be required to attend the summer school program if the student is not progressing at grade level in a core subject area. A student who is progressing below grade level or who is not demonstrating an understanding of the PA Core standards at the student's grade level will be required to attend summer school. Official notification regarding participation in summer program will be made prior to the end of the school year.

### **Offered Core Subject Areas**

Every effort will be made to offer students the core subject areas they need during the summer program. Core subject areas will take priority over those subjects in which a student is progressing on grade level or has reached content standards. Students who are not progressing at grade level in two or

more core academic subjects may be considered for retention for the upcoming academic year. Any student, who is not progressing at grade level in a core subject area during the summer, must participate in the after-school tutoring program during the following academic year.

## Pupil Services

### School Counselor

Students have the opportunity to work with a school counselor who will assist them with academic issues and social concerns. The counselor will be available by appointment during school hours. Please call the main office to make an appointment with the receptionist.

### Elementary Student Assistance Program (ESAP)

The ESAP team at RCECS provides assistance to students who exhibit barriers preventing academic success. The ESAP team is a confidential team composed of specialty trained teachers, school counselors, school administrators, and other school employees, who work to provide services to help students overcome barriers to learning.

### Health Services

The health room will be available as needed for students who require either urgent or chronic medical care. If your student has a chronic medical condition (such as asthma, seizures, diabetes, food allergies, etc), please ensure that the school nurse is aware of the condition and that any medication that may be needed during the school day has been provided to the health room. See the Medication in School section below for further information.

Students who become ill during the school day should first inform their teacher and request to go to the health room. Ill students presenting to the health room will be evaluated by a nurse. Students who are not deemed excessively ill by the nurse are encouraged to return to class. **If your child has a temperature of 100.4 degrees Fahrenheit or higher, you will be contacted and expected to pick up your child in a timely manner.** If the school is unable to locate the parent/guardian, then it will attempt to contact individuals on the emergency contact list. Students dismissed by the nurse due to fever, are required to remain home until they have been fever-free for 24 hours without the use of fever-reducing medication.

If your child is feeling ill in the morning, please keep them home if their temperature is greater than 100 degrees Fahrenheit, or if they had a fever the previous night, if they have vomited, or if they are experiencing diarrhea. **Please keep your child home until they are fever free or symptom free for 24 hours without the use of medication.**

If your student or any member of your household is experiencing Covid-like symptoms, please have them tested immediately. RCCS will follow the communicable disease guidelines established by the Pennsylvania Department of Health (PADOH) and the Centers for Disease Control (CDC). RCCS asks that you notify the School Nurse of any positive cases of Covid-19 in your household. The school nurse will provide you with guidance for a safe return to school for your child.

At times throughout the school year, your child will be dismissed from class in order to complete state-mandated health screenings that may include height, weight, vision, hearing, or scoliosis screening. If the screening indicates the need for a more thorough evaluation by your medical provider, your child will receive a referral from RCCS. Please have the referral completed by your family provider and return the referral form to the school. If you need assistance locating a provider, please contact the school nurse.

If you discover your child has lice, please keep them home and treat with an over-the-counter treatment. Contact the school nurse to notify the school and to receive information regarding successful re-admission procedures

### Health Requirements

Upon original entrance to RCCS, students are required to provide current immunization records as well as both a physical and dental examination completed within the past year. These records are kept on file at the school. Failure to provide proof of current required immunizations may lead to denial of attendance at RCCS until the proper documentation is received by the school. Additional physical examinations are also required in Grade 6 and Grade 11. Dental examinations are also required again in Grade 3 and Grade 7. Parents should contact the school nurse to ensure that their child has received all required vaccinations and has completed all necessary examinations or if you have questions or need more information.

### Medication

Please contact the school nurse if your student requires either a physician-prescribed medication or an over-the-counter medication which must be given at school. A parent or an adult must deliver the medication to the health room. Students should not carry the medication to school themselves. RCCS must receive signed, [written permission from](#) the parent and the prescribing doctor for the school to administer any medications to students. The medication permission form must include the name of the medication and instructions for its administration (time and dosage). Medication permission forms are available from the RCCS school nurse.

RCCS's Health Services has obtained written medication orders from the school physician for the treatment of a variety of injuries and minor illnesses that may occur during the school day. These medications include:

Cough drops  
saline eye wash  
caladryl anti-itch lotion

Wound wash  
visine allergy eye drops  
sting kill for insect stings

Vaseline  
triple antibiotic ointment  
Tums (at the secondary level only)

Benadryl (for use in an allergic emergency, not for daily allergies)

If you do not wish for your child to receive one or more of these standard medications, please notify the school nurse immediately.

### **Health & Safety (Additional Information)**

Please refer to the RCECS webpage for any possible updates on Health and Safety information and/or policies/procedures.

### **Physical Education Classes**

All students are required to take physical education as scheduled, unless excused because of physical limitations. In case of such limitations, a physician should indicate in writing the reason for excusing the student from gym class. If a student is unable to participate in gym class for more than one week due to a physical ailment, an excuse from the doctor is required. In order to protect the health and safety of our students, any student unable to participate in gym will be excluded from recess as well. A doctor must also give permission for a student who has a known physical disability to participate in gym.

### **Emergency Phone Numbers**

It is extremely important that the RCECS have a record of telephone numbers to reach parents/guardians in the event of an illness or injury to your child during the school day. Parents must contact the main office regarding updates to telephone numbers and other pertinent information. The school is not responsible for updating phone numbers, addresses, and/or emergency contacts for students.

### **Home and School Association (HASA)**

HASA is an active and ongoing organization at RCECS whose primary objectives include:

1. Promoting a closer relationship between the home and the school in order for parents and teachers to cooperate effectively in the training of the child.
2. Uniting efforts that will secure for every child the highest advantages in physical, mental, and social education.
3. Assist in fundraising activities and special events. Please call (610) 351-4310 to get involved.

\*All raised funds must be deposited in the appropriate and designated account(s). The appropriate and designated account is determined and authorized by RCECS administration.

### **Public Input**

Any parent, resident, or community group shall have the right to present a request, suggestion, or opinion concerning the school and/or the programs offered. The public's voice will be considered with the purpose of improving education for the students at RCECS. The Board has a duty to protect its staff from unnecessary harassment and maintain a safe and instructional environment for the students. It is the intent of this policy to provide a fair and impartial manner for seeking appropriate and constructive input from the public. Any input from the public shall be first considered through a direct, informal discussion among the interested parties. The CEO or the Principal shall be the first contacts between the public and the school. It is only when such informal meetings are not successful that more formal procedures will be employed.

### **Fundraising**

The Principal and/or CEO must authorize all fundraising activities. \*All raised funds must be deposited in the appropriate and designated account(s). The appropriate and designated account is determined and authorized by RCECS.

### **Volunteers in School**

Parents/guardians and anyone interested in volunteering at our school, should contact Human Resources regarding required documentation. For more information on clearances visit the volunteer section on the school's website at: [myrccs.com/how\\_to\\_volunteer.html](http://myrccs.com/how_to_volunteer.html)

## **School Procedures, Policies, and Regulations**

### **School Day Hours**

The school day hours for the 2020-2021 school year are **8:30 a.m. – 3:10 p.m.** Please see the detailed schedule below:

8:00 a.m. – 8:30 a.m.	Student Arrival and Breakfast
8:30 a.m. – 3:05 p.m.	Academics (with lunches)
3:05 p.m.	Bus Dismissal Begins
3:10 p.m.	Dismissal (Parent Pick-Up)

### **Attendance**

RCECS adheres to provisions for attendance and truancy under Pennsylvania Act 138. Students must attend school from 8:30 a.m. to 3:10 p.m. in its entirety to be considered present for the school day. Students must be present at least four hours in a school day to have the day count as a full day of school. Regular school attendance is vital to academic success. A student who is absent frequently will not be able to achieve their potential ability because of missed work. Therefore, all RCECS students are expected to report to school daily by 8:30 a.m., unless they have a legal excuse.

**\*A written excuse must be submitted to the main office within 3 days of the absence for it to be excused.** A written excuse must be provided, whether or not you called in the absence. If no written excuse is provided, the absence will be considered unlawful/unexcused. Once an unlawful/unexcused absence is recorded, RCECS will not make changes.

**\*A doctor's note is required for extended illness absences and for a student who has had more than 10 illness absences during the school year. Failure to provide a doctor's excuse will result in an illegal absence.**

**Legal or excused absences** and late arrivals are defined as the following:

- Illness of student
- Death in the family of student
- Court attendance
- Physical incapacity of the student
- Impassable roads between the student's home and the school
- Suspension of the student

A **written request** must be submitted and approved by the Principal **before** the day(s) in order for the absence to be excused:

- Religious holiday
- Educational trip

**Unlawful or unexcused absences** and late arrivals are defined as the following:

- Trips not approved by the Principal
- Absence from or late arrival to school with the parent's consent for reasons other than those considered excusable.
- Absence or late arrival for which no legal excuse has been returned within 3 school days.

Students who are absent with a legal excuse will be permitted to make up any work that was missed. It is the student's responsibility to make up any assignments within a reasonable amount of time. Students who are unlawfully absent, or absent without an excuse, from school will not be permitted to make up any work missed on the day of the absence.

#### **Attendance: Truancy**

Truancy refers to when a student has **3 or more unexcused absences** in the current school year. These absences do not need to be in a row. Upon the 3<sup>rd</sup> unexcused absence, a student is considered truant. RCECS will issue a truancy notice to the student's parent/guardian within 10 days of the student's 3<sup>rd</sup> unexcused absence.

#### **Attendance: Habitual Truancy**

Habitual truancy refers to when a student has **6 or more unexcused absences** in the current school year. These absences do not need to be in a row.

Upon the 6<sup>th</sup> unexcused absence, a student is considered habitually truant. RCECS will issue a truancy notice to the student's parent/guardian within 10 days of the student's 6<sup>th</sup> unexcused absence. RCECS will also hold a school attendance improvement conference. A written notification will be sent to a student's parent/guardian prior to the conference requesting their attendance at the conference. If a parent/guardian does not respond to the written request, RCECS will attempt to contact them by phone two times. RCECS will still hold a school attendance improvement conference for a student if a parent does not attend the conference. At the attendance improvement conference, RCECS will create a plan to help a student attend school.

After an attendance improvement conference is held and a plan is put in place, if a student has more unexcused absences, RCECS must refer the student to either a school-based or community-based attendance improvement program or Children and Youth Services. In addition, RCECS may file a citation against a student's parent/guardian in district court. RCECS may file a citation for each additional unexcused absence after the initial 6<sup>th</sup> unexcused absence occurred. If a student accumulates 10 unexcused absences, RCECS will issue a "10 Day Letter" of notification to their parent/guardian. **Any student who is absent illegally or unexcused for ten (10) consecutive days will be immediately dropped from the school's rolls.**

Attendance in each class and to school, separately, is necessary for any student to pass his/her classes in each marking period. Students are required to have at least 80% attendance in every class to pass each marking period. In addition, students are required to maintain at least 80% attendance for the full year to be promoted into the next grade level. Students are expected to arrive at school at the appropriate time each day. Students who do not arrive on time to school will be subject to prosecution for truancy due to accumulation of missed time at school.

If your child must be absent for any reason, we ask that you do two things:

1. Call the school (610-351-4310 ext. 348) between 7:30 a.m. and 8:30 a.m. on the morning of the absence. If the absence continues for more than one day, it is necessary to call every day unless specifically requested not to. If we do not receive a call identifying the reason for an absence, we will attempt to contact the parent/guardian at home or at work to verify the absence.
2. If your child is absent one to three days, then a written note is needed with a detailed reason of your child's absence. The note **must**
  - a. Indicate your child's name
  - b. Include the date(s) of the absence and the reason for the absence
  - c. Have the parent/guardian signature.

If the illness continues for more than 3 days, it is necessary to have a doctor's note detailing the reason for the absence. Certain circumstances may warrant a doctor's note before a student will be allowed to return to school.

**Leaving School without Permission**

Students are not permitted to leave the school building under any circumstances without permission. Students who leave the school without permission and wish to come back on the same day will not be permitted to re-enter the school. Every attempt will be made to contact the parent or guardian of record to notify them that the student has left school. Students who leave school without permission will be subject to immediate suspension.

**Dismissal for Appointments**

In the event that medical appointment is scheduled for a student during school hours, a doctor's or parent note will be required to count the absence as legal/excused. Please send a note **(24 hours in advance if possible)** to school with your child specifying the date of the appointment and the time you want your child to be released. If your child has an appointment scheduled during school day hours, we ask that you do the following:

1. If your child has an appointment early in the morning and your child will not report to school until after the appointment, notify the main office in writing, in person, or via phone call, by 8:30 a.m. on the day of the appointment.
2. If your child has an appointment later in the day requiring an early dismissal, notify the main office in writing, in person, or via phone call, by 8:30 a.m. on the day of the appointment.

All students who need to leave the school before dismissal time must be signed out and picked up by a parent/guardian. **If a person other than the parent or guardian will pick up the student, this person must be included in the emergency contact list and must present ID at the time of signing out the student.** RCECS does not allow early dismissal as a privilege.

**School Tardiness**

All RCECS students are expected to report to their homerooms, no later than 8:30 a.m. Any student who is not seated in homeroom by 8:30 a.m. is considered late/tardy. **If a student arrives at school later than 8:30 a.m., a parent / legal guardian must accompany this student for the student to be admitted to school and sign them in the main office.** Students that arrive late to school must report to the main office before being permitted to go to class. If a student is going to be late to school, a written note is required specifying the reason for the delay.

**Family or Voluntary Trips**

To avoid interruption of your child's educational program, we recommend that you schedule trips during the summer months or during holiday vacations when schools are closed.

Trips requiring fewer than 3 school days of absence:	Trips requiring 3 or more school days of absence:
<ul style="list-style-type: none"> <li>• send a note to your child's homeroom teacher in advance of the trip. Specify the nature of the trip and the dates that your child will be absent.</li> </ul>	<ul style="list-style-type: none"> <li>• a request for excused absence must be completed by a parent/guardian in the main office in advance of the trip</li> </ul>

Prior to the student leaving on the trip, the Principal must approve the student's absence. ***Trips occurring during PSSA testing days will not be approved.*** If the student is failing, the trip will not be approved unless it is a family emergency, and it is fewer than 4 days. Please note that the parent/guardian assumes all responsibility for the student to make-up all missed work due to an extended absence. It is the student's responsibility to obtain a list of assignments from his/her teachers prior to the extended trip. If a student does not hand in their assignments upon return, they may be required to attend the after-school program to complete assignments and/or to recover lost instructional time.

Regulations of the State of Pennsylvania provide that, upon written request from the parents/guardians of the pupil involved, the pupil may be excused from school attendance to participate in an educational tour or trip not sponsored by the school. The trip must be evaluated by the school Principal as being educational, and the adult supervision must be acceptable to both the Principal and to the pupil's parents/guardians. The Roberto Clemente Charter School CEO/Principal is designated to make the initial decision, based on information provided by the parents/guardians.

1. This [Leave of Absence Request](#) must be submitted to the Principal a minimum of five (5) days prior to the trip except in an emergency. Parents/guardians will be notified if the request is approved or not.
2. Request will be approved only if it is determined that the trip/tour is of educational value to the students or if there is a documented family emergency.
3. Unless there are unusual or emergency circumstances, requests will not be approved for the first ten (10) days of school or during the state's testing periods.
4. If more than one child is making the trip, a separate request must be submitted to the Principal for each child.
5. No more than ten (10) school days will be approved for an educational trip/tour or family emergency in any school year. Special requests involving extraordinary circumstances or exceptional opportunities for learning should be discussed in person with the Principal well in advance of the requested days of absence.

6. Satisfactory academic achievement and the student's attendance record will be considered in the approval of such a request.
7. Please note that the student assumes all responsibility for make-up work or failure due to an extended absence. It is the student's responsibility to obtain a list of assignments from his/her teachers.

### Arrival Procedures

All parents/guardians and/or designees are expected to follow drop-off procedures and designated traffic patterns during student arrival. Students traveling to school via car must be dropped off using the through-way in the main parking lot. Students may not be dropped off on Cedar Street, 5<sup>th</sup> Street, or Williams Street.

On arrival at school, all students are to enter the designated entrances. Once a student arrives, he/she must either go to his or her homeroom class. No loitering in the halls is permitted. **All students who arrive after 8:25 a.m. must use the Main Office Entrance on Cedar Street.** If a student arrives at 8:25 a.m. or later, a parent/guardian **must** accompany them to the main office to sign them in.

### Dismissal Procedures

**It is the responsibility of the parent/guardian to contact the school by 2:00 p.m. if there will be a change to their child's mode of transportation for that day.** If a child normally takes the bus or is picked up by a daycare, a parent must call the school by 2:00 p.m. if their child will not be taking the bus or will not be picked up by their daycare that day.

- It is the responsibility of the parent/guardian to contact the school by 2:00 p.m. if a person other than a parent/guardian or emergency contact will be picking up their child that day. This person must show I.D. to a staff member. It is the responsibility of the parent/guardian to contact the school if there will be a short term (more than one day) or long-term change to their mode of transportation.

At the end of the school day, if the student is staying after school, the student must report to the designated area as soon as possible. Students riding the bus will be dismissed first through the 5<sup>th</sup> Street entrance. Parent pickup will be dismissed next. Kindergarten students will dismiss through the cafeteria door leading out to the parking lot facing Greenleaf Street. 1<sup>st</sup> grade students will dismiss through the Williams Street (alley way) door. 2<sup>nd</sup> and 3<sup>rd</sup> grade students will dismiss through the 5<sup>th</sup> Street entrance. 4<sup>th</sup> and 5<sup>th</sup> grade students will dismiss through the Cedar Street entrance. Loitering is not permitted on school property. Only 5<sup>th</sup> grade students may walk home without a parent or guardian.

Any student not picked up by 3:15 p.m., will be brought to the main office. Starting at 3:20 p.m. a parent/guardian will have to sign their child out in the main office. **If a student is picked up after 3:20 p.m. three or more times, administration will require a parent conference.**

**The school will not assume responsibility for your child after the school closes.** The police will be notified if the child is not picked up by 5:00 p.m. unless participating in a school sponsored after school activity. Parents/guardians will be notified of these activities and must make arrangements to pick up their child promptly at the end of the session. Students will not be allowed to walk home after dark. Parents must provide transportation within 15 minutes of the end of any activity ending after school hours. The police will be called if a child is not picked up 15 minutes after the end of an activity.

### Bussing

Students (K through 5) living 1.5 or more miles, in walking distance, from the school may be eligible for transportation services. Students must adhere to behavioral expectations for the bus to ensure student safety. Students may be suspended from the bus for unsafe and/or inappropriate behaviors. As per the Pennsylvania Department of Education, "transportation is a privilege, not a right." The Principal or Assistant Principal will handle disciplinary measures related to bus incidents. Students riding the bus will be given an additional copy of the bus rules that must be signed and returned by students and parents/guardians.

### The following rules must be followed by all students riding the bus:

1. No chewing gum or candy, eating, drinking, or smoking
2. No personal electronic devices including: cell phones, tablets etc.
3. No toys, games, or other non-instructional personal items
4. No horseplay, excessive noise, or vulgar language
5. Students must be seated, facing the front, at all times, until the destination is reached, and the bus has come to a complete stop
6. Students must remain in their assigned seat
7. No littering
8. Students may not block the aisle or emergency door
9. Students may neither extend arms or heads out of the bus windows, nor throw any objects inside or out of the bus
10. Students may not open/close windows unless given permission by the driver.
11. Students willfully damaging the bus will be held liable for the cost of the repairs
12. Other rules deemed reasonable by the driver

### **Bicycles, Scooters, ETC.**

Student's personal transportation including, but not limited to, bicycles, skateboards, scooters, hoverboards, rollerblades, are not allowed on RCECS property. Students using personal transportation to/from school may not keep it on school property during the school day.

### **Emergency School Closing**

When it is necessary to delay the start of the school day, dismiss early due to inclement weather, or cancel school completely, announcements will be made on WFMZ-TV Channel 69, www.WFMZ.com, and on social media. Also, the school will send a message using a voice and/or text-messaging app.

### **Transfer/Withdrawal from RCECS**

If your child will be transferring from RCECS to another school, a parent/guardian must notify the school with a minimum of two-day notice. The parent needs to come to the office and sign a withdrawal consent form. Student will have to return any school-owned materials. When this has been completed, a copy of the withdrawal consent form will be given to the student to take to his/her new school. School officials will then request records from RCECS.

### **Video/Audio Surveillance**

The use of a video/audio recording is intended to assist the administration, contractors, and drivers in observing behavior, preventing violation of bus rules, school rules, regulations, district policies and Pennsylvania law, and utilizing and/or dispensing such surveillance when required for disciplinary, civil and/or criminal matters.

Video/Audio recorders may be placed on any and all buses or schools. All students are subject to being videotaped on the school bus or at school at any time. The video/audio media are intended for use with respect to issues relating to safety and behavior on the bus and at school. Video/audio media are not intended for general viewing by a student, employee, parent/guardian, or public and shall not be made available for general viewing purposes.

### **Visitor Policy/Security System**

A visitor is described as any person who is not a staff member and/or does not directly work with the school. This includes parents, volunteers, and all external public including business representatives, service workers, community members, etc.

The safety of our students and staff is everyone's concern, and certainly a priority for RCECS. Visitors (**including parents/guardians**) must use the Cedar Street entrance. Please ring the bell outside the entrance door and identify yourself in order to enter the school building. **Visitors must then report to the main office for permission to visit or be on school property. All visitors must adhere to the following procedures:**

1. All visitors/volunteers must check in with the receptionist upon arrival.
2. All visitors must present a form of identification to proceed to any area in the school.
3. This form of identification will be retained by the receptionist until the visitor/volunteer exits the school building.
4. Upon the presentation and submission of proper ID, the visitor will receive a pass that must be returned to receive ID back.
5. Security personnel or a staff member will escort the visitor to the destination area.
6. Any person picking up a student during the school day must present a valid proof of ID.

*Any person who is not a staff member and/or does not directly work with the school found within any school area without a pass must immediately be escorted to the front office for registration or expulsion. A visitor to the school who behaves inappropriately will be asked to exit the premises. If the visitor does not exit the building, local authorities will be called.*

### **After-School Activities Guidelines**

1. All school rules are in effect during any after-school program. In order to attend an after-school activity, the student must be present during the school day.
2. There is to be no loitering outside the building after the after-school activity and students are not permitted to leave the activity and come back later.
3. During an after-school activity, the RCECS rules apply as if the student were in school.

### **Social Events and Class Trips**

The Board recognizes the value of social events and class trips in the enrichment of the total school experience for the student of the RCECS. The Board shall make school facilities available and provide appropriate staff for the conduct of social events within the school facilities which have been approved by the Principal of the school. For social events which take place outside school facilities, approval of the principal is required.

*For all trips outside the school facility, signed parental/guardian's permission shall be required. Social events and trips are a privilege. A student's privilege to participate in a social event and/or trip may be revoked at administration's discretion.*

### **Trips Within/Outside Lehigh Valley**

1. Trips to museums, zoological gardens, industrial plants, places of historic or community importance, radio and television studios, and to rehearsals or performances sponsored by the school are approved, provided safety for the students and staff is present.
2. Trips to recreational areas, or to any location with swimming or boating facilities, are not approved unless adequate supervision is provided; winter trips including skiing, ice skating, tobogganing, or other sport trips are not approved unless adequate supervision is provided.

3. Trips extending beyond the curfew time of students are not approved; responsible adults must meet students at a designated location when students return from a trip in the evening, and school personnel must remain until all students have been met.
4. Trips that exclude students who cannot meet financial costs are not approved.
5. Trips that are sponsored privately by individuals, including any staff members or groups are not approved; there is to be no dissemination of information, collection of funds, use of class lists, or solicitation of students for this type of activity.
6. Transportation for trips shall be school vehicles or Board approved carriers only. Private vehicles may not be used.

Class trips must be selected with staff recommendation and the principal's approval, supported by stated educational objectives and a minimum of two-thirds (2/3) student participation. Any exceptions to the above policy must be presented for approval by the Principal or the Principal's designee.

The Principal or the Principal's designee shall develop procedures for the conduct of student social events and class trips, this shall include the following:

1. All necessary permission slips submitted in advance of any trip
2. The designation of a staff member who shall be responsible for the trip
3. The provision of adequate adult supervision as required by the circumstance of the event
4. The formulation of rules and regulations governing the conduct and safety of all participants and the promulgation of such rules and regulations to all students and adults involved
5. Students must follow proper dress code for all dances, student activities, and/or field trips: the administration reserves the right to determine student participation based on appropriate dress code

For trips that may be classified as extra-curricular such as class trips, club trips, picnics or outings, financial support must come from other than Board funds (i.e., parents/guardians, school/parent organization, etc.)

### Homeless Act: McKinney Vento Act

#### About Homeless Act-McKinney Vento Act:

The McKinney-Vento Homeless Education Assistance Act guarantees a free and appropriate public education for all homeless children and youth. B.E.C. 42 U.S.C. 11431 outlines procedures for deciding school placement, enrolling students, and determining responsibility. Federal and state laws make out responsibility clear. With the huge number of homeless children currently attending public schools, we must provide proper educational support and services.

#### McKinney-Vento Act Basics At-a-Glance:

## Dress Code Rationale

Dress code is the unwritten, but understood by most members of the society, rules of clothing as an aspect of human physical appearance. Clothing, like other aspects of human physical appearance, has social significance. The dress code has built in rules or signals indicating the message being given by a person's clothing and how it is worn. Choice in clothing can convey social messages.

RCECS is committed to preparing our students for the professional/working environment at an early age. As a result of this vision, The Board has established a dress code that must be observed by students and staff. This dress code includes a school uniform and dress down rules for certain days declared as Dress Down Days. A business casual dress is the standard for this dress code. Clothing that reveals too much skin or reveals undergarments is not permitted. Any clothing that has words, terms, or pictures that may be offensive to others is unacceptable.

### Dress Code

The dress guidelines are designed to provide students, faculty, and the administration the most conducive working environment. Listed are the uniform requirements for all students.

#### GIRLS

## **Technology Resources – Acceptable Use Policy**

### **Technology Policies**

\*For the Technological Resource Acceptable Use Policy, Roberto Clemente Charter School (RCCS) refers to both the middle and high school and the elementary school (RCCS).

The Board of Trustees ("Board") provides employees, students, and Guests ("users") with hardware, software, and access to the Roberto Clemente Charter School's ("RCCS") electronic communication system and network, which includes internet access, whether wired, wireless, virtual, cloud, or by any other means. Guests include, but are not limited to, visitors, workshop attendees, volunteers, adult education staff, students, School Board members, independent contractors, vendors, and consultants. Computers, network, Internet, electronic communications, information systems, databases, files, software, and media, collectively called Communications and Information Systems ("CIS"), provide vast, diverse, and unique resources.

Access to the RCCS' CIS systems through school resources is a privilege, not a right. These, as well as the user accounts and information, are the property of the school. The Board reserves the right to deny access to prevent unauthorized, inappropriate, or illegal activity, and may revoke those privileges and/or administer appropriate disciplinary action.

The CEO and designee will be responsible to build and maintain a school technology infrastructure that is advanced, efficient, and resourceful for the RCCS community. The school reserves the right to deny access to prevent unauthorized, inappropriate, or illegal activity, and may revoke those privileges and/or administer appropriate disciplinary action.

RCCS will cooperate to the extent legally required with ISP, local, state, and federal officials in any investigation concerning or related to the misuse of the CIS systems. 47 U.S.C. § 254(1); 24 P.S. § 510; 24 P.S. § 4604. It is often necessary to access users' accounts to perform routine maintenance and security tasks. System administrators have the right to access by interception and access the stored communication of user accounts for any reason to uphold this policy, accompanying administrative regulation, the law, and to maintain the system. USERS SHOULD HAVE NO EXPECTATION OF PRIVACY IN ANYTHING THEY CREATE, STORE, SEND, RECEIVE, OR DISPLAY ON OR OVER THE SCHOOL'S CIS SYSTEMS, INCLUDING THEIR PERSONAL FILES OR ANY OF THEIR USE OF THE SCHOOL'S CIS SYSTEMS.

Due to the nature of the internet as a global network connecting thousands of computers around the world, inappropriate matter can be accessed through the network and electronic communications systems. Because of the nature of the technology that allows the internet to operate, the school cannot completely block or filter access to these resources.

#### Policy for the RCCS' Website

- a) The RCCS website provides important information regarding the school and its faculty, staff, facilities, policies, school curriculum, instruction, and school programs and activities. RCCS's website may be utilized to promote student and faculty work while protecting the privacy of students and their families.
- b) The Board authorizes the use of its website and webpages for legitimate educational purposes. RCCS employees and students must use the website and webpages in an appropriate and professional manner and shall maintain appropriate professional boundary limits with students and other employees. RCCS employees and students shall always comply with the school's Acceptable Use of Technology Resources policy.
- c) The CEO and/or designee shall have the authority to review, approve, revise, and remove content on webpages, and to develop and update webpages on the school website, as necessary to enforce this policy.
- d) All materials posted on the school's website and webpages must comply with all pertinent Board policies, including, but not limited to the school's Technology Resources Acceptable Use Policy.

#### Use of School Sponsored Social Media

- d) The CEO and/or designee shall have the authority to review, approve, revise, and remove content on school-sponsored social media, consistent with this policy.

#### Limitation of Liability

RCCS makes no warranties of any kind, either expressed or implied, that the functions or the services provided by or through the school's CIS systems will be error-free or without defect. RCCS does not warrant the effectiveness of internet filtering. The electronic information available to users does not imply endorsement of the content by RCCS, nor is the school responsible for the accuracy or quality of the information obtained through or stored on the CIS systems. RCCS will not be responsible for any damage users may suffer, including but not limited to, information that may be lost, damaged, delayed, mis-delivered, or unavailable when using the CIS systems. RCCS will not be responsible for material that is retrieved through the internet, or the consequences that may result from them. RCCS will not be responsible for any unauthorized financial obligations, charges or fees resulting from access to the school's CIS.

**RCECS will educate all students about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms, and cyberbullying awareness and response.**

2. The CIS has not been established as a public access service or a public forum. RCCS has the right to place reasonable restrictions on the material accessed or posted through the system. All staff and students are expected to follow the rules set forth in the school's student conduct regulations and the law in the use of the CIS.
3. The CIS may not be used for commercial uses purposes. This means it may not be used to offer, provide, or purchase products or services through the CIS unless it is approved by a school administrator for educational purposes.
4. The CIS may not be used for political lobbying or link to sites whose purpose is endorsement of political advertising. Nevertheless, the system may be used to communicate with elected representatives as needed and approved by a school administrator.

This prohibition includes the following: intentionally seeking information about passwords belonging to other users, modifying passwords belonging to other users, or attempting to log in through another person's account. Further, users may not attempt to access, copy, or modify another user's files. These actions are not permitted and may be illegal, even if only for the purposes of "browsing."
- b) Users shall not attempt to subvert the CIS, impair the functionality of the CIS, or bypass restrictions set by network administrators. Users are also prohibited from destroying data by spreading computer viruses or vandalizing data, software, or equipment.
- c) Users shall not use the CIS to engage in any other illegal act, such as arranging for a drug sale, purchasing alcohol for a minor, engaging in criminal gang activity, threatening the safety of a person, etc.

3. System Security Violations

- a) Users are responsible for the use of their individual account if applicable and should take all reasonable precautions to prevent others from being able to use their account. Under no conditions should a user provide their password to another person, except those supervisors and/or teachers may require users to provide their passwords.
- b) Student users will immediately notify a teacher if they identify a possible security problem (such as disclosure of their password to another person) and other users will immediately notify the system administrator. No users are authorized to look/solve for security problems, because this may be construed as an illegal attempt to gain access.  
RCCS must install and maintain anti-virus software on each workstation. Updates, typically referred to as "virus definitions," should be updated as the manufacturer recommends. Such installation and maintenance will be performed by the IT Department.

4. Inappropriate Language, Images, and Content

- a) Restrictions against inappropriate language apply to electronic communication including, but not limited to: email, public messages, private messages, and material posted on social media and web pages.

#### 7. Plagiarism and Copyright Infringement

- a) Information posted shall comply with the copyright and fair use guidelines promulgated by the U.S. Copyright Office
- b) Users will not plagiarize works that they find on the CIS. Plagiarism is taking the ideas or writings of others and presenting them as if they were original to the user.
- c) Users will respect the rights of copyright owners and not infringe on those rights. Copyright infringement occurs when an individual inappropriately reproduces a work that is protected by a copyright. If a work contains language that specifies acceptable use of that work, the user should follow the expressed requirements. If the user is unsure whether or not they can use a work, they should request permission from the copyright owner.

School employees may access the above material only in the context of legitimate research related to academic content and is approved by the employee's supervisor.
- c) If users inadvertently access such information, they should immediately disclose the inadvertent access in a manner specified by the school. This will protect users against an allegation that they have intentionally violated the Technology Acceptable Use Policy.

Potential disciplinary actions include: detentions, denial/removal of privileges, in-school suspensions, out-of-school suspension, administrative review, judiciary review, and expulsion.

Privileges must be earned. They can be withdrawn for improper behavior. The length of denial depends on (1) the nature of the offense and (2) the previous behavior of the student. Privileges can be denied from one day to the entire year, depending on the circumstances.

#### Suspension from School

Suspension is the temporary exclusion from school and all school-related activities for serious and/or repeated infractions of school rules. Students suspended from school are excluded from all school activities including field trips, assemblies, and all extra-curricular activities. The length of the suspension can run one (1) to ten (10) days, depending on the nature of the infraction. Parents will be notified in writing of their child's suspension. **The student must be accompanied by a parent/guardian upon re-entering the school after a suspension.** Suspension should be the last resort taken to redirect student misbehavior. ## Roberto Elementary Charter School: Elementary Anti-Bullying Policy

RCECS prohibits acts of harassment or bullying. The Board has determined that a safe and civil environment in school is necessary for students to learn and achieve high academic standards. Harassment or bullying, like other disruptive or violent behaviors, is conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe environment. Demonstration of appropriate behavior, treating others with civility and respect, and refusing to tolerate harassment or bullying is expected of administrators, faculty, staff, and volunteers to provide positive examples for student behavior.

**Bullying** is defined as intentional electronic, written, verbal, visual, or physical act and/or series of acts directed at another student or students that is severe, persistent or pervasive and has the effect of doing the following: (1) Substantial interference with a student's education; (2) Creation of a threatening environment; (3) It occurs within an interpersonal relationship where there is an imbalance of power (e.g. one person is physically larger, stronger, mentally quicker, or socially more powerful); (4) Substantial disruption of the orderly operation of the school. This includes cyber bullying. Students who are being bullied are encouraged to promptly report such incidents to a teacher, school counselor or building administrator.

**UNLAWFUL HARASSMENT** All RCECS students have the right to be educated in an environment free of discriminatory practices, including unlawful harassment. The Board is committed to establishing and maintaining an educational environment free from unwelcome sexual conduct, either verbal or physical, for all students. This policy applies to third parties. The term harassment includes but is not limited to repeated, unwelcome, and offensive slurs, jokes, or other verbal, graphic or physical conduct relating to an individual's race, color, religion, ancestry, gender, sexual orientation, national origin, age, or handicap/disability that create an intimidating, hostile or offensive educational environment.

The Board expects students to conduct themselves in a manner in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other students, school staff, volunteers, and contractors.

The Board believes standards for student behavior must be set cooperatively through interaction among the students, parents/ guardians, staff, and community members of the school, thereby producing an atmosphere, which encourages the students to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school and community property on the part of students, staff, and community members.

The Board believes that the best discipline is self-imposed, and is the responsibility of staff, as monitored by the Principal, to use disciplinary situations as opportunities for helping students learn to assume responsibility and the consequences of their behavior. Staff members who interact with students shall apply best practices as defined in the Code of Conduct to *prevent* discipline problems and encourage students' abilities to develop self-discipline.

Since bystander support of harassment or bullying can support these behaviors, the school prohibits both active and passive support for acts of harassment or bullying. The staff should encourage students to support students constructively attempt to stop them or report them to the designated authority.

The Board requires its school administrators to develop and implement procedures that ensure *both* the appropriate consequences *and* remedial responses to a student or staff member who commits one or more acts of harassment or bullying. The following factors, at a minimum, shall be given full consideration by school administrators in the development of the procedures for determining appropriate consequences and remedial measures for each act of harassment or bullying.

### Factors for Determining Consequences include but are not limited to:

- Age, development, and maturity levels of the parties involved
- Surrounding circumstances
- Incidences of past or continuing pattern(s) of behavior
- Context in which the alleged incident(s) occurred
- Degree of harm
- Nature and severity of the behavior(s)
- Relationship between the parties involved

### Factors for Determining Remedial Measures:

#### Personal:

Consequences and appropriate remedial actions for a student who commits one or more acts of harassment or bullying may range from positive behavioral interventions up to and including suspension or expulsion, in the case of a student, or suspension or termination in the case of an employee, as set forth in the Board of Trustees approved Code of Student Conduct. RCECS has a “No Tolerance” policy toward bullying and strictly enforces this policy at all times.

Remedial measures shall be designed to: *correct the problem behavior*; *prevent another occurrence* of the behavior; and *protect the victim* of the act. Effective discipline should employ a school-wide approach to adopt a rubric of bullying offenses and the associated consequences. Staff, administrators, and/or the school counselor may be involved with consequences and/or remedial measures. The consequences and remedial measures may include, but are not limited to, the examples listed below:

**Examples of Consequences:**

- Temporary removal from the classroom
- Referral to Principal or designee

The Board requires the Principal/Assistant Principal to be responsible for receiving complaints alleging violations of this policy. All school employees are required to report alleged violations of this policy to the Principal/Assistant Principal or the principal's designee.

All other members of the school community, including students, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. Reports may be made anonymously, but formal disciplinary action *may not* be based solely based on an anonymous report.

The Board requires the Principal/Assistant Principal designee to be responsible for determining whether an alleged act constitutes a violation of this policy. In so doing, the Principal and/or the Principal's designee shall conduct a prompt, thorough, and complete investigation of each alleged incident. The investigation is to be completed within three school days after a report or complaint is made.

The Board prohibits reprisal or retaliation against any person who reports an act of harassment or bullying. The consequences and appropriate remedial action for a person who engages in reprisal or retaliation shall be determined by the Principal/Assistant Principal after consideration of the nature, severity, and circumstances of the act.

The Board prohibits any person from falsely accusing another as a means of harassment or bullying. The consequences and appropriate remedial action for a *person* found to have falsely accused another as a means of harassment or bullying may range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for a *school employee* found to have falsely accused another as a means of harassment or bullying shall be disciplined in accordance with school policies, procedures, and agreements.

The Board requires school officials to annually disseminate the policy to all school staff, students, and parents, along with a statement explaining that it applies to all applicable acts of harassment and bullying that occur on school property, at school-sponsored functions, or on a school bus. The Principal shall develop an annual process for discussing the school's policy on harassment and bullying with students and staff. RCECS shall incorporate information regarding the policy against harassment or bullying into the RCECS School Employee Training Program and the Student/Parent Handbook.

### **Sexual Harassment**

Sexual harassment of students or school personnel physically, verbally or in writing will not be tolerated. Forms of sexual harassment include the following:

- Verbal - such as derogatory comments, jokes, or slurs, and sounds
- Physical - such as touching, pinching, patting, grabbing, or brushing up against another, impeding or blocking movement of another
- Visual- Inappropriate gestures, body language, or pictures

Any individual who feels he/she has been subjected to any act of sexual harassment including any visual, verbal, or physical conduct of a sexual nature may communicate immediately with the Principal/CEO for further investigation. Any individual who is found to be guilty of sexual harassment will be subject to appropriate discipline, including expulsion from school.

### **Mandated Reporter**

Under PA law, all school employees are mandated reporters. School employees adhere to the law in reporting a suspicion of child abuse to Child Line. School employees may also report concerns of a student's safety and well-being to Children and Youth Services.

## **Roberto Clemente Charter School: Elementary Code of Conduct**

It is impossible for teaching and learning to take place in classrooms unless good order is maintained. All students have the right to an education; however, they do not have the right to disrupt the educational process.

According to Pennsylvania School Code 24 Ps 13-1317 teachers and school administrators are acting "in loco parentis" (in place of parents/guardians). As such, every teacher, Assistant Principal, and Principal in the public schools shall have the right to exercise the same authority. This includes and is not limited to conduct and behavior over the pupils attending the school, during the time they are in attendance, including the time required in going to and from their homes, as the parents, guardians, or persons in parental relation to such pupils may exercise over them.

To protect the right of all students to receive the best education possible in a safe and orderly learning environment, certain types of behavior are prohibited. Student misbehavior incidents are classified in four (4) levels based upon place of occurrence, frequency of occurrence, and disruptive effect on the safety and orderliness of the learning environment. Additionally, serious offense incidents are prohibited and will be acted upon accordingly.

The teacher will handle discipline for Level 1 infractions of school/classroom rules in the classroom. The Principal, Assistant Principal and/or the school counselor may also be involved in addressing Level 1 infractions. Teachers will maintain accurate documentation for student infractions of school rules. All staff members can address, document, and report infractions or problems to the Principal or Assistant Principal. All students are required to report infractions of school policy to the school staff.

### **Disciplinary Guidelines**

RCECS believes that order and discipline are essential to an effective educational environment. This commitment requires a code of discipline that clearly defines individual responsibilities, categorizes unacceptable behaviors, and provides for appropriate disciplinary procedures. Finally, to be effective the code must:

1. Be preventive in nature.
2. Promote self-discipline.
3. Concern itself with the welfare of the individual as well as that of the school community as a whole.
4. Promote a close working relationship between parents/guardians and the school staff.
5. Discriminate between minor and serious offenses as well as between first-time and repeated offenses.
6. Provide disciplinary procedures that are appropriate to the infraction
7. Be administered in a way that is firm, reasonable, consistent, and fair.
8. Encourage high regard for every person's right to reasonable hearing procedures and due process when accused of an infraction

9. Be in compliance with the provisions of federal, state, and local law as well as with guidelines and directives of the Pennsylvania Department of Education.

Whenever students violate the rules and regulations of the school or show disrespect for school employees or property, they shall be disciplined within the limits provided in these guidelines.

Accused students do not have an inherent right to meet face-to-face with the student making the accusation at the time of the finding of facts by the Principal/Assistant Principal. Also, the Principal/Assistant Principal bases their decisions on the best available information and is not obligated to present to the students or their parents/guardians evidence of the infraction level which would be required in a state criminal court. Violations of law normally are promptly referred to the police for investigation.

**Corporal punishment**, including striking and paddling, will not be administered. However, reasonable force may still be used by teachers and school authorities under any of the following circumstances:

- To quell a disturbance
- For the purpose of self-defense
- To obtain possession of weapons or other dangerous objects
- For the protection of person's property

The discipline of students is the responsibility of the school while the student is on school property and/or on school conducted field trips, school bus or other school-sponsored activities. Students are required to abide by the discipline codes of the school.

The types of behavior incident(s) and examples of infractions and the "procedures" and "options" specified shall be treated as guidelines for use by teachers, the administration, and The Board in dealing with matters relating to student conduct and deportment. The following shall not constitute a limitation upon the authority granted to teachers, administrators, and the School Board; the Public School Code of 1949 including the authority granted by sections 1317 and 1318 of the Public School Code of 1949, as amended.

**Note:** For special education students only, when the total days of suspension for a student reach ten consecutive (federal) or fifteen cumulative (PA) for the school year, the staff will schedule a Multi-Disciplinary Evaluation. Also, when a manifestation review is necessary; the staff of the school will schedule it.

**Note:** Re-Enrollment – At the end of each school year, all current students must be re-enrolled for the next school year. Failure to meet the school requirement for correction of behavior may deprive the student of the privilege to be re-enrolled.

At any time in the discipline process, parents/ guardians, staff members, and/or Principal or Assistant principal may request a conference of concerned parties for the purpose of examining the problem(s), posing possible solutions, and reviewing progress with a plan for improvement in the student's conduct. For a student with an Individualized Education Program (IEP), this conference could take the form of a Multi-Disciplinary Evaluation (MDE) meeting, which could result in recommended changes in the IEP. Regardless of whether the conference is informal or an MDE, one possible outcome of the conference is a behavioral contract or plan.

Normally a student will not be dismissed from the school for a Level 1 behavior incident, but that could happen if eventually the behavior incident is seriously disrupting the education of other students or consuming an unreasonably large amount of the school's, staff, and/or principal or assistant's time. Consequences for all-level infractions may change based on the frequency and/or severity of the infraction(s).

**Infraction and Procedures**

The term **Infraction** refers to the non-adherence to RCECS expectations for conduct. The term **procedures** refer to the way infractions of school expectations may be investigated, documented, communicated, and resolved. It also refers to the disciplinary measures that may be taken by staff regarding the infraction(s). The list of infractions and procedures in this Code of Conduct is **not** exhaustive.

Be assured that any student whose presence, in the opinion of the principal or CEO, constitutes a threat to the health, safety, and morals of other students and/or interferes with the educational process of this school can reasonably expect to be recommended for suspension and/or expulsion. RCECS reserves the right to search a pupil’s pockets or any possession (including but not limited to purses, gym bags, jackets, coats, parcels, packages, or other containers) to discover or confiscate any prohibited materials. There should be reasonable grounds for suspicion.

The possession of spray mace, noxious chemicals, and/or any device, which projects or emits gas or other substances intended to produce discomfort is also a violation of this Policy. ## Probationary Period Policy

<b>Effective Date</b>	
<b>PURPOSE</b>	
To establish a policy which allows a probationary period for all newly hired employees and employees who reclassify from on-call status to a part-time or full-time position or from one position to another.	
<b>Applicable to</b>	All newly hired or reclassified employees
<b>Internal Forms</b>	Probation Evaluation Form
<p><b><i>Your employment with the Roberto Clemente Charter School “RCCS” is entered into voluntarily and can be terminated, with or without cause and with or without notice, at any time at the option of either the RCCS or yourself. In addition, the charter school may make decisions regarding other terms of employment (including demotion, promotion, compensation, benefits, and job duties) at any time, with or without cause or advanced notice. Nothing in RCCS’ policies or its employee handbook or this policy creates or is intended to create a promise or representation of continued employment by you or any contractual or legally enforceable obligation on the part of the charter school. No representative of the charter school other than the Board of Trustees has the authority to enter into any agreement for employment for a specified duration or to make any agreement for employment other than at-will. Any such agreement that changes your at-will employment status must be explicit, in writing, and signed by you and the president of the Board.</i></b></p> <p>The staff probationary period is 90 days for all new hires or reclassified staff. The probationary period is intended for employees to assure they are still interested in and suited for the position they have accepted with the charter school, and for the charter school to determine whether or not the employee should be retained. During this period, employees will not be considered for promotion or transfer unless an exception is approved by the Chief Executive Officer (CEO) in writing to Human Resources (HR).</p> <p>During the probationary period, the charter school's usual disciplinary and conflict resolution procedures will apply. The probationary period does not limit the charter school's ability to discipline or terminate employment prior to the end of the probationary period. <b>Completion of the probationary period does not change the at-will status of the employee.</b></p> <p><b>Procedure</b></p> <p><b>Human Resources</b></p> <p>Responsible to ensure all newly hired employees sign and date an acknowledgement which officially notifies them of their probationary period.</p> <p>45 days before the end of an employee's probationary period, HR will notify the supervisor that the employee's probationary period is ending and provide them with the Probation Evaluation Form.</p> <p>HR will be responsible to review and approve the supervisor's comments and will obtain</p>

all necessary management signatures BEFORE it is discussed with the employee.

## **Supervisor**

Schedule an evaluation before the probationary period expires.

### *Retention Recommended*

1. Within 45 days prior to the expiration of an employee's probationary period, the supervisor will complete a probation evaluation form. HR will review BEFORE it is given to the employee.
2. The supervisor will meet and review it with the employee. This evaluation will give the employee an idea of how well they are doing and may identify problems and areas where additional training may be needed.
3. Once complete, the supervisor and the employee will sign and date the evaluation form and return it to HR for the employee's personnel file within 7 days of the employee providing their signature.
4. Should the employee complete their probationary period prior to April 30th of the contract year, they must participate in the evaluation process as dedicated by policy.

### *Dismissal or Demotion Recommended*

1. Prior to any discussion with the employee, the supervisor will discuss the matter with HR and make a written recommendation for termination or demotion 40 days before the expiration of the probationary period. It will include the reasons and supporting documentation. HR will submit to the CEO for consideration.
2. If an employee commits a violation of the Rules of Conduct that would result in termination of a non-probationary employee, discipline should be administered in accordance with the charter school's employee discipline policy to include involuntary termination, as opposed to probationary termination.
3. The CEO will obtain the approval from the Board of Trustees.
4. There should be no documentation given to the employee regarding reasons or justification for dismissal. HR must prepare the probationary termination letter. In the event of a probationary dismissal, the only justification that will be provided to the employee, both verbally and in writing, is "the Board of Trustees has elected not to continue the employment relationship."

All steps above, including formal notification to the employee, must be completed prior to the expiration of the probationary period. Otherwise, the employee will be considered to have automatically "passed" the probationary period.

**Board Approval Date**

**Approval Signatures on file**

**TO THE EXTENT THAT ANYTHING IN THIS POLICY COULD BE CONSTRUED TO CONFLICT WITH THE SCHOOL'S CHARTER OR APPLICABLE STATE AND/OR FEDERAL LAWS, THE CHARTER AND/OR APPLICABLE STATE AND/OR FEDERAL LAWS CONTROL.**
